ARTICLE I—NAME

The name of this body shall be the "Carolina Baptist Association."

ARTICLE II—PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

ARTICLE III—MEMBERSHIP

SECTION 1: The Association shall be composed of cooperating Baptist Churches in the area of the Association.

SECTION 2: The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3: Churches desiring membership in the Association shall apply to the membership committee and if recommended by this committee and accepted by the Association shall agree to come under the watch care of the Association for a period of one year. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

ARTICLE IV—MEETINGS

SECTION 1: The Association shall meet annually on Tuesday, after the first Sunday in August, and quarterly each fifth Sunday.

SECTION 2: Special Meetings may be called by the Moderator or Executive Committee provided two weeks notice is given to the member churches.

SECTION 3: Each church shall elect annually, in addition to the pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

ARTICLE V—AUTHORITY

RESOLUTION

Be it resolved that the Carolina Baptist Association extend its sincere thanks and appreciation to the Balfour Baptist Church for its hospitality in entertaining the association this year. The splendid arrangement for the general sessions, committee meetings and the noon social hour were enjoyed and appreciated by all.

Be it resolved that the Carolina Baptist Association express its appreciation to the officers and especially the Committee on Order of Business, for the fine program and efficient way in which it was conducted.

Be it further resolved that our appreciation be expressed to the representatives of our denominational institutions and agencies who shared with us the information of progress in the individual phases of the Lord's work which they represented.

Sincerely yours,

John F. Rymer

THE MISSION COMMITTEE

of the

CAROLINA BAPTIST ASSOCIATION

Composed of Homer O. Baker, R. N. Sentelle, Raleigh Maxwell, Harold Taylor and M. M. Goss, beg leave to submit the following report:

1. Meetings of the Committee.

The committee has held four meetings during the year — one a joint meeting with the Executive Committee.

2. Matters considered.

We have sought to keep alert to the possibility of new work. With the emphasis of the Convention-wide 30,000 movement as inspiration, we have tried to be concerned. During the year, however, we have not seen fit to propose starting a new work. The committee solicits your interest and suggestions.

The Committee has plans for what bids to be one of the greatest schools of missions for September 2-7, 1962, that we have ever conducted. E. R. Boyd, has been elected by the Association to lead in this venture.

The committee regularly receives reports from Clay R. Barnes, our Associational field worker. (In view of his holding the joint responsibility for the Carolina and Transylvania Associations, it must be remembered, he works with more than 100 churches.)

3. Observations.

We are happy to report that during the year all but 18 of the churches made contributions through the Cooperative Program. While this is a regrettably large number not to give through our Convention-adopted method of giving to all our work, the number has been reduced by 100% in the last five or six years. In time we predict that all our churches will be giving through the Cooperative program.

4. Report. A brief summary of our Missionary's report is herewith attached.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The ministry of our Baptist Hospital touches every area of our state. Last year more than 18,000 bed patients were served and more than 150,000 visits were made to the clinics and officers. They came for examination, medical treatment, skilled surgery, and spiritual guidance. Many have been served by this ministry for it touches the life of about a quarter of a million of our people each year.

Sickness is no respector of persons. It strikes the rich and poor alike. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts.

In February our Hospital opened its new 80-room progressive care center. It was described as "the most significant advance in hospital care ever taken by a North Carolina Hospital." The center, which looks more like a hotel than a hospital, is designed for convalescents and persons at the hospital for diagnostic tests. These are patients who need a minimum of medical attention and who can generally care for themselves but still require some medical services.

Daily cost of private rooms will be $7 to $12 a day without meals, compared to $24 to $26 a day in the intensive treatment areas of the hospital. The idea of the center is to stabilize hospital costs and provide savings for not-too-seriously-ill patients.

Offerings for the whole state were down this year in reference to our Mother's Day Offering. Our own Carolina association was no exception. The challenge is before us. We must share because we care for the needy sick.

Respectfully submitted,
Richard L. Davis

REPORT ON CHILDREN'S HOMES

It has been stated very often that the cause of the Baptist Children's Homes and of our child care program is very near to the hearts of North Carolina Baptists. Moreover, it is felt that a wider information about this program on the part of our people would result in its being even nearer to our hearts, and also in a much wider and more intensive support.

With this in view, our esteemed General Superintendent, Mr. W. R. Wagoner, has planned three meetings in different sections of the state, of church and associational leaders together with Children's Homes representatives to share information about our child care program and some long-range plans. At the first of these meetings held recently in Asheville, several members of the Children's Home staff were present. They gave out to representatives of many of the churches of the twenty most western associations of our state much valuable and interesting information. Among the probabilities of the next few years is the construction of a Baptist children's home in the area around Asheville. At this meeting the representatives of the various churches voted to recommend to their churches an increased Thanksgiving offering of thirty-five percent. Doutbless the planning done in these meetings will prove of vital importance to the future ministry of our Children's Homes.

The following concise statement was made recently by Mr. Wagoner: "From May 1, 1960, through April 30, 1961, we have cared for 821 boys and girls. Mills Home and Kennedy Home operated near capacity for the twelve month period. Odum Home will reach capacity this summer. We have 124 children in Foster Homes. The maximum number which we have had in this type of care was 162, during February and March, 1960. This area of work has been reduced for lack of funds. The Foster Home population should be increased by at least 25 children annually for several years to come. We have other areas of unmet need."

It is very clear to any informed person that there is no lack of needy children. The lack is a lack of funds. Over the years the people of our Carolina Association have been fairly liberal with our Children's Homes. But we can do even better. Let's do it. Let's prepare for a great Thanksgiving offering. Then let's remember that contributions are needed and will be welcomed at any time.

We commend Mr. Wagoner and his co-workers in the great work they are doing. We are convinced that they are meeting the best standards of child care. Let us support them and the cause which they represent, in a greater way, not only with our money, but also with our prayers.

Respectfully submitted,
C. F. Jervis

EVANGELISM REPORT
CAROLINA ASSOCIATION — AUGUST 8, 1961

Against the gathering clouds of war, the crime rate increase, the consumption of alcoholic beverages, broken homes and general delinquency there hangs in the sky of spiritual hope at least one many-colored rainbow, namely, souls are being won to Christ and quite a few are becoming good and faithful disciples of our Lord.

This past year brought many spiritual blessings to Baptists of Carolina Association, and we sincerely hope these blessings are being shared with others. Some of the spiritual highlights of the past year are as follows:

1. Four hundred and sixty-one baptisms are being reported this year. This is an increase of eight-one over last year. This is an average of slightly over eight per church. We hope and pray for greater increase next year in persons saved and baptised into the fellowship of our Churches.

2. Special Prayer Meetings by our preachers each Friday evening for several weeks preceding our Jubilee Revival proved to be an unspeakable blessing to us. Prayer is the basis of soul-winning, and our Lord answered those fervent prayers by giving us the above mentioned increase in souls saved and baptized.

3. The Jubilee Revivals, which were conducted in about twenty-five Churches simultaneously, gave us great encouragement.

4. A fine spirit of fellowship amongst those who are cooperating in these spiritual efforts has existed in noticeable fashion throughout the year.

THE FOLLOWING RECOMMENDATIONS ARE MADE:

1. That a Preachers' Revival be conducted for one week early this fall. This Revival will be for the preachers of Carolina Association and designed to commune with God daily for at least that one week unmolested by outside influences in order to find God's will for ourselves and our Churches. Thus we pray to be used of God to spear-head revival in our Association.

2. That our Churches plan to enter whole-heartedly the Jubilee Revivals next Spring . . . dates to be announced, and that we make Evangelism a key-note of all our work and witness throughout the year.

3. One hour for Evangelism in next year's associational meeting.

Respectfully submitted,
Homer O. Baker,
Chairman of Evangelism

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

(Associational Report for 1961)

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes — Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. **Twenty-six** new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the lovingkindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road

site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

The happiest times in the Homes are when friends and members of North Carolina Baptist Churches visit them. A cordial welcome is extended to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Let us pray for, visit, and continue our support of the home we have given in the past.

Respectfully submitted,
W. Albert Hill

REPORT ON CHRISTIAN EDUCATION
1961

Our goal in Christian Education should be to provide our children from birth with an environment that is totally Christian. Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. Many difficulties and failures in college could be solved and overcome if in the earlier years young people were spiritually prepared. It is, therefore, imperative that the home, church, and college work in closest cooperation as a team, each fulfilling its particular responsibility.

In this report we are concerned with the role and ministry of our seven Baptist colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate. We are not satisfied in having only good colleges, nor even good Christian colleges. There must be added characteristics which are distinctive to the Baptist faith. Herein is our reason for being.

State colleges, by their very nature, work under certain restrictions which prevent them from doing this task. Of all people, Baptists do not expect the state to teach religion in any form. We have said throughout history that this is the responsibility of the church. Our state colleges must deal with the so-called secular emphasis in life, having education for education's sake as their goal. Into this vast sea of secular education, Baptists with our homes, churches, and colleges must witness to our faith as it relates not only to the means but also to the ultimate ends of life.

In financial matters we have heard much discussion in recent years. The special Convention Committee of 21 members brought its report to the special session in Greensboro on May 4, and all the report and actions taken relate to this matter of trying to help these seven colleges meet the growing needs of these young people. The proposals of the Committee and the recommendations adopted by the convention are aimed at helping in both operating costs and capital outlay or plant costs. The operating needs would be helped by free-

ing all the regular Co-operative Program funds for the operation only which would almost double the present five per cent, or give the colleges some $1,200,000 each year to aid in operation. The special Convention approved this idea by adopting a Program of Advance for the next three years, 1962-64, through the Cooperative Program. As Baptists, we have different opinions as to how we may best proceed to do our work, but of greatest importance is the fact that we recognize the needs and set about doing something to meet them. Now what can you do to help?

(1) Be informed and concerned. Read about our colleges, visit them, become acquainted with the administration, faculty, and students.
(2) Encourage your best students to attend.
(3) Pray for these schools.
(4) Support the Cooperative Program, especially the Program of Advance.
(5) Promote and support Christian Education Day in your church.

For fifteen years North Carolina Baptists have coordinated the work of their colleges through a Council on Christian Education in our Baptist State Convention. This Council consists of representatives of our colleges, the General Board, and our Convention officers. Throughout these fifteen years Claude Gaddy has been the executive secretary. Last January he announced his plans to retire from this position and did so on July 31, 1961. In its July meeting, the Council on Christian Education recommended the election of Mr. A. Harold Cole as its executive secretary. For four years he has served as director of our Department of Baptist Student Work in our Convention and comes to this new position well prepared for it.

Richard L. Davis

REPORT ON CHRISTIAN LITERATURE

"God who at sundry times and in divers manners spake unto the fathers of the prophets" is speaking to our generation through printed page of religious literature. "Reading maketh a full man . . . . ," therefore it is of utmost concern to Baptists that their members become full of those things which are profitable to good living, good thinking, and stabalizing of the emotions. This need was seen early in the history of our state convention when our convention was organized in 1830 according to the constitution its main purpose was, "the promotion of missions, education, social service, and the distribution of sound religious literature." In 1833 the **Biblical Recorder** was founded and for over a century now has been going into the homes of North Carolina Baptists. "It has a noble heritage to preserve and a high mission to fulfill."

Recently, at a workshop of Southern Baptist editors, the **Recorder** was highly recognized by Syracuse University professors for its pleasing appearance and good content, such as: "full page pictures on the cover, stimulating editorials, life in the churches, the Sunday School Lesson, the Family Page, changes in the churches, complete coverage of all Baptist news, numerous pictures, inspirational pieces, stories about fellow Baptists, and many other articles too numerous to mention."

"Circulation which is the highest in history continues to rise. At the present time it is more than 70,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed."

The **Biblical Recorder** can be subscribed to by the individual plan, club plan, or Every Family plan. In the Every Family plan the **Recorder** will be brought to the subscribers mail box for a four cent stamp each week.

"The American Bible Society is engaged in translating, publishing, distributing and encouraging the use of the Bible in 75 countries and territories on 5 Continents." In 1960 a total of over 23 million Scripture volumes were circulated by the Society, up more than 5 million over the previous year.

There are two new things in the circles of religious literature as of this year: (1) Every member may receive the **Biblical Recorder** for two months on a trial basis without cost or obligation. (2) Every Baptist pastor is to receive a copy of the **Baptist Standard.**

Time and space fail me to give details of the **Home Life** magazine, **The Beam,** and other literature that is serving as a vital link connecting Southern Baptists all over the world.

Lyman Wilson

REPORT ON HOME MISSIONS
CAROLINA ASSOCIATION, AUG. 8, 1961

A home mission budget in excess of $4 million (60 percent from the Cooperative Program and 40 percent from the Annie Armstrong Offering) supported 2,035 missionaries during the past year, the largest number ever employed in mission work in the United States, Cuba, and Panama. These workers reported 51,463 baptisms.

The Chaplain Division reported 14,053 professions of faith. Six hundred and sixty-four Southern Baptist ministers serve as chaplains for the military, institutions, and industry in the United States.

C. E. Autrey, director of Evangelism, has given a continuing emphasis on year-around evangelism. This division of Home Mission work has promoted the Baptist Jubilee Revivals, an associational plan of simultaneous evangelistic crusades. Baptisms reported totaled 386,469.

Despite the tense situations between the United States and Cuba, there is progress in Baptist work on this island. Revivals have resulted in 5,116 conversions.

The growth of new churches and missions has been accelerated by the 30,000 movement. Dr. C. C. Warren, director of the movement reports 11,817 started as of January 1, 1961.

Despite a record force on the Home Mission Staff, urgent personnel needs were announced. Workers are needed for Good Will Centers, Japanese, Russian, Spanish and Italian work.

It is to be hoped that Southern Baptist people will "pray the Lord of the harvest for laborers" to meet these needs.

Respectfully submitted,

Mrs. T. G. Proctor

FOREIGN MISSIONS REPORT
(1961 Annual Meeting)

Mrs. W. Bryant Hicks, Missionary to the Philippines, has said, "We depend on your participation in our work more than you will ever know. Faithful service in your corner of God's vineyard, sacrificial giving, and prayerful nurturing of young lives toward missions all determine the success or failure of God's work abroad; for, you see, we are simply an extension of you in another land."

The Cooperative Program is the main channel through which you may share Christ with the whole world—with your community, your city and your county, your state, your homeland, and the lands across the world. The Foreign Mission Board depends upon the Cooperative Program for funds to undergird the present program of foreign missions and to expand its program to meet urgent needs which exist around the world. From 1932-1959 gifts of Southern Baptists for foreign missions through the cooperative program amounted to $70,-809,425 and in 1960 to $7,909,396. Dr. Baker J. Cauthen states, "In 1960 a very small percentage of Southern Baptists' missionary dollars (6.73%) was expended for home base responsibilities in the projection of foreign mission work. A total of 93.27% of all disbursements were for foreign field responsibilities." Total gifts for foreign missions in 1960 from all sources amounted to $17,312,163.

Today, Christians number only 800,000,000 in a world of over 3 billion population. Fifteen years ago Southern Baptists had 519 missionaries in 17 countries, and today our denomination has few more than 1,500 missionaries in 45 countries. In 1960 it took 71,000 Southern Baptists to send out one new world witness, that is, a missionary.

In 1961 the Foreign Mission Board hopes to appoint 160 new missionaries and increase this by 10 each year until in 1964 Southern Baptists will have 2,000 foreign missionaries.

Mr. J. Earl Posey, Jr., Missionary to the Philippines, says, "Thank

you for your gifts to missions. We could ask for but one thing more, for a gift that cannot be dropped in offering plates, that cannot be wrapped in pretty trimmings and packaged into a box, but that can be evidenced in our day-by-day tasks here: YOUR EARNEST PRAYERS FOR SPIRITUAL POWER IN OUR WORK."

Respectfully submitted,
E. R. Boyd

REPORT OF WOMAN'S MISSIONARY UNION 1961

Under the leadership of the Holy Spirit, Woman's Missionary Union was organized as a helper or Auxiliary to the Southern Baptist Convention. This Auxiliary was to promote Christian Missions in our Baptist Churches through a program of **Mission Study, Prayer, Stewardship and Community Missions** with organized groups of women and young people. This purpose holds today.

Through the years W.M.U. members have been "Laborers together with God" as cooperative Southern Baptists have endeavored to give the message of Christ to lost people at home and around the world.

Women in the Carolina Baptist Association are laboring together for His glory in the 37 churches — we look forward to the day when we will have the work of Woman's Missionary Union in our other 23 churches. Among the youth in our churches we have 15 Y.W.A.'s with 109 members reported — Mrs. Albert Drake, Direcor; 29 G.A.'s with 346 members reported — Mrs. T. G. Proctor, Director; 24 Sunbeam Bands with 336 members reported — Mrs. Ned R. Wells, Director.

During the year we reported for the Lottie Moon Offering for Foreign Missions: $15,005.45; for the Annie Armstrong Offering for Home Missions: $3,799.95; for the Heck Jones Offering: $902.13. **"Freely ye have received, freely Give."**

The Annual Session of the W.M.U. of this Association was held at the Etowah Baptist Church April 21st, 1961. Officers for the 1961-1962 year were elected:

President—Miss Audrey E. Saunders ..... Main Street Church
Vice-President—Miss Daphne Boone ..... Main Street Church
Vice-President—Miss Myrtle Bennett ..... Hendersonville, First
Secretary-Treasurer—Mrs. R. D. Suttenfield ..... Hendersonville, First
Sunbeam Director—Mrs. Ned R. Wells ..... Shaw's Creek Church

REPORT OF SUNDAY SCHOOL WORK IN CAROLINA ASSOCIATION

In 1960 the S. S. work of Carolina Association has made progress in many ways. First, many churches have met the need for more classes by building new educational plants, others have added to the present buildings. Second, all the officers suggested by the state department have been secured for the first time. Each of these has shown great interest in the work. Third, the actual teaching from Sunday to Sunday has greatly improved. This has been brought about by greater dedication on the part of each teacher. They have shown more interest in the pupils and have made greater efforts to prepare themselves to teach.

The Daily Vacation Bible School clinic was held April 17. A large group attended and enjoyed a well planned program.

As superintendent I wish to thank everyone who had a part in this work.

Respectfully submitted,
O. J. Smith

ASSOCIATIONAL TRAINING UNION REPORT

We have not made as much progress in Training Union this year as we would like to have made. There are too many churches still without Training Unions. We realize that establishing a Training Union in all of our dark churches is the opportunity and responsibility of the Associational Training Union. Your Associational officers, who are all busy in their own churches, invite you to help them in this big undertaking.

Our Association was represented in the tournament at the Regional Convention in Brevard. Lucy Ann Sumner from Bat Cave Church was a four year State winner in the Junior Memory Work at Fruitland. We are grateful to the Junior leaders and parents who realize that memorizing scripture is valuable training. We urge more churches to take advantage of these methods of training during the coming year.

We are happy that some of our churches are taking advantage of our assemblies at Ridgecrest, Caswell and Fruitland.

"M" Night, as usual, was the highlight of the year. We had the largest attendance ever. The Rev. Fritz Hemphill brought an inspiring message.

May we work and pray until all of our churches have training for all the members.

Respectfully submitted,
Mrs. Junius Huggins
Training Union Director

TEMPERANCE AND PUBLIC MORALS

The rate of crime in the United States is growing far more rapidly than the increase in population. Particularly disturbing is the increase in the number of arrests of persons under eighteen years of age. In a recent period, 1958-1959, the increase for violation of narcotic drug laws was nearly 20 percent, forgery around 17 percent, murder 15 percent, liquor laws 12 percent, driving while intoxicated 10 percent, and larceny 5 percent. On the whole arrests of persons eighteen and over have increased about 1 percent for each of the last five years (to 1960) and arrests of persons under eighteen have increased about 10 percent. The prison population of the country continues to increase. In 1959 there were more adults confined in American prisons than ever before in the country's history. In our own section public drunkenness and motor vehicle violations seem to demand most of the attention and time of the local police and courts. The cases of veneral disease is still numbered in the tens of thousands in our state. The number of unwed mothers abound. The use of Sunday as a day for anything except worship is the standard procedure for many people in our communities. A great number of the citizens of our land are unable to eat, play, study, work or worship with other of their fellow countrymen because of racial barriers. Though our hearts tremble under the threat of another war and though we long for and pray for peace we find at the same time a demonic urge deep within our souls to strike killing blows ourselves against those who would and do infringe upon our rights to international affairs. The use of money may reflect fairly accurately the state of the nation's interest if not its morals and character. The average American spends daily for recreation $.28, for alcoholic beverages $.15 while for all religious and welfare causes he gives only $.07. From the minor violations of law in low places to the white collar crimes in high places there is too much evidence of loose living, of low morals and of little regard for integrity and brotherhood.

These figures and observations suggest to us that the church has right at its door a stupendous task. It may well consider afresh its task of evangelism, it may well recall that it is the leaven of society

and the salt of the earth. The day calls for fearless preaching and for a dynamic program of instruction and activity which will give purpose and guidance to all, but especially to the youth of our communities. We owe it to the youth of our land to present a course to them which will appeal to their best, to the end that their time, energy and resources may be committed to that which develops character and which brings their lives into the service of the best interests of the church and the nation.

Respectfully submitted,
Henry B. Stokes

STATE MISSION REPORT — 1961

North Carolina is a "coming" state. By 1980 our total population is expected to reach 6,300,000. At present 25 percent of the white population of North Carolina holds membership in Baptist Churches. By 1980 that proportion is expected to rise to 29 percent. There are, and apparently will continue to be, more Baptists per square mile in North Carolina than in any comparable area of the world. This is glorious, and for it we humbly say, "To God be the glory; great things he has done."

Through the Co-operative Program and designations to Home and Foreign Missions, we must continue to advance in Missions beyond our state. To do less would be spiritually criminal. We are bound by an inescapable obligation to give due attention to the spiritual needs within our beloved state. Until income through the Cooperative Program becomes strong enough to underwrite our total mission program, we must continue to take special offerings for missions.

There are approximately 4,600,000 people in the State of North Carolina. About 2,100,000 of these above the age of eight years are affiliated with some kind of church. About 2,000,000 above the age of eight years are unchurched.

Our people need to be taught and trained. Therefore, many of the significant phases of our State Mission work are promoted through the Sunday School, Training Union, Brotherhood, R. A.'s, W.M.U. work, Church Development, and Church Music Departments. Over 2,800 Vacation Bible Schools were reported for 1960, giving $50,000 to World Missions.

We reported 30,337 baptisms in 1960, as against 34,833 in 1958. North Carolina baptized more people in the years 1958-1959 than any other state except Texas. But this was not true in 1960. Our baptisms were less by 4,496 in 1960 than in 1958.

A more literate congregation demands a better trained pastor. Last year 1960 pastors received better training at Fruitland. Refresher courses are offered at Mars Hill each year. Approximately 500 attended during this week of Christian study and fellowship last summer.

We also have supported by State Missions the Department of Church Planning. This Department serves many churches through counsel and guidance in planning beautiful and adequate churches and educational buildings. Tens of thousands of dollars are saved by Baptist Churches each year because they use the services of this Department.

Our Brotherhood and R. A. work are great departments of service to men and boys of our churches. Here we have an unlimited ministry in undergirding the total church program.

Our church and denomination leaders of tomorrow need to be taught and trained in cooperation and loyalty today. State Missions promote a Baptist Student Program among 24,000 sons and daughters from Baptist homes who are attending the many colleges, universities, business schools, and medical and nursing schools of our state.

ASSOCIATIONAL CHURCH MUSIC REPORT

The Music Committee sponsored the following activities during the past Associational year:

The first week of October the Associational Church Music school was held with eight churches attending. Average attendance was forty. Thirty two music awards were earned.

Three Music Committee meetings were held during the year. Also one Hymn Sing was held in February at Beulah Baptist Church. in May a very helpful music conference was held with eight churches represented. The program theme was "Music that Honors God."

In connection with the state music conference at Fruitland Camp in June there was an associational school of music held at night. Seven churches took advantage of this opportunity to improve their music program.

We are encouraged by the fact that several churches have asked for our help to either organize a choir or to help in preparing music for special occasions, and also that there was a good interest in an associational choir which has sung for "M" Night and also for two other associational meetings.

The greatest need in most of our churches is better prepared leadership in our music programs, and also to have good hymnals for use in all services. We highly recommend the Baptist Hymnal and urge all churches to supply the sanctuary with a sufficient number of copies for use in the worship service.

Junius Huggins

REPORT OF THE EXECUTIVE COMMITTEE TO THE CAROLINA BAPTIST ASSOCIATION

In Annual Session, Tuesday, August 8, 1961

This report is submitted to acquaint you with the activities of the committee for the past year, and for the purpose of presenting

recommended action at this time.

During the year the committee met four times. At one meeting the policy of regular quarterly meetings was adopted to be held before the fifth Sunday and annual meeting. Previously meetings were held on a called meeting basis.

Some of the other items of business discussed and action taken were reorganization, the purchase of needed office equipment, the annual budget presented by the committee on finance, the School of Missions to be held in September, 1962, and proposed revision of the constitution.

The committee recommends for action at this time the adoption of the policy of an annual report. It further recommends a proposed constitutional revision, that copies of this revised constitution and by-laws be distributed at this meeting for future study; and that the fifth Sunday meeting, scheduled for October 29, be declared a special meeting for discussion and action on the proposed constitutional revision.

Previously the thinking was that it be presented at this session. Basic reasons for postponement, however, are insufficient time for proper consideration at this meeting, and all of our people have not had opportunity for study and digest.

Respectfully submitted,
Executive Committee
Ansel R. Jones, Chairman

THE HISTORY OF CAROLINA BAPTIST ASSOCIATIONAL MISSIONS 1939 - 1961

* * * * *

M. M. Goss, Historian

The Carolina Association mission program had its beginning when some half-dozen churches, along with the State Mission Board of the Baptist Convention, decided to underwrite the salary of a missionary. W. W. Worley, pastor of the churches at Fletcher and Tuxedo, gave up the church at Fletcher to devote half of his time to the Associational missionary effort.

This enterprise had its beginning in 1939. Mr. N. B. Phillips was driving along the road and overtook Brother L. C. Pearson walking home from revival services at the Liberty Church. Pearson told Phillips that for want of funds with which to buy gasoline he was obliged to close the revival and walk all the way back to his home in Green River. Following this conversation Brother Phillips talked with Moderator M. L. Walker, and suggested that steps be taken to secure an Associational missionary who would be able to conduct revivals in such churches. From this discussion the Associational mission program began in the Carolina Association under the direction of Brother W. W. Worley.

He preached in churches where no pastor could be supported, conducted training classes, vacation Bible schools, and helped in many ways in the Association.

Several months lapsed after Brother Worley resigned in 1941 before Brother T. E. Thompson, Pastor of the Valley Hill Church, was secured as the field worker. During the period of Mr. Thompson's service the mission committee was organized, and a finance committee was activated. It was during this period that a full finance committee report was made to the association, and the contributions for the maintenance of the field worker were listed in the minutes. During this time schools of missions were conducted, with such leaders participating as Dr. George Sadler of the Foreign Mission Board and Lewis Martin of the Home Mission Board. Brother Thompson worked faithfully to keep in contact with the pastors and the churches. It was reported in the 1944 minutes of the Association that twenty-one churches contributed $845.32 toward the mission expenses. The State Mission Board gave a similar amount.

On the evening of September 7, 1945, when missionary Thompson was driving home, north of Tuxedo, his car turned over three times. Brother Thompson's back was broken but for several months there was hope of his returning to work. Finally, he felt that this would be impossible. Thus he resigned, and again the Association was without a field worker.

By June 1, 1946, Erskine Plemmons a pastor from the Buncombe Association had been called and had taken up the work here. Plemmons appeared first before the Association at the Quarterly meeting June 30, 1946, and demonstrated his grasp of the work by enthusiastically outlining plans for all the work, with special concentration on vacation Bible schools.

At the annual meeting of the Association, the first Tuesday in August, 1946, the finance committee composed of John A. Sinclair, Wayne Peek, and Junius Huggins recommended a plan by which there would be ample funds in the Treasury with which to carry on the mission work. Each church was asked to contribute to the Association the amount of 5 per cent of its pastor's salary. For several years this same appeal was made. In 1946 twenty-three churches contributed from $5.00 to $100.00 toward the Associational mission program. The 1948 minutes of the Association report that forty churches had contributed from $1.00 to $150.00, a total of $1,594.52, for the support of the field worker. This was the largest number of churches that had made such contributions. However, in 1947 a smaller number of churches gave more — $1,690.24. At the Quarterly meeting, on October 31, 1949 a motion passed to increase the salary of Mr. Plemmons from $2,400.00 to $3,000.00.

Early in his ministry to the Association, Mr. Plemmons began to publish the **Carolina Baptist.** Let it be noted that this paper had no

connection with the **Carolina Baptist,** which was published in 1857 by Elder James Blythe, as an organ of the Western Convention. The 1949 minutes carry the announcement that the office for the association was located in Room 8, the Hunter Building, at the corner of Main Street and Fifth Avenue. At the end of the year 1949 Brother Plemmons accepted the call to the pastorate of the Ranlo Baptist Church in Gastonia.

Roy D. Campbell, Minister of the Dana Church, was asked to become the new missionary. He began his work early in the year of 1950. As his predecessors had done, Campbell worked with energy and enthusiasm. As they, he served as clerk of the Association. He supplied churches that were pastorless, and when a pastor was away or ill. He assisted in securing pastors for the churches, and was generally useful in promoting every aspect of the program. At the 1952 Associational meeting it was reported that vacation Bible Schools had increased from 5 in 1943 to 34 in 1951. Much of the increase was due to the interest and work of state and associational lay leaders, but the Missionary was the coordinating force in all these efforts.

At the 1953 annual meeting of the Association Roy D. Campbell submitted his resignation, whereupon the missions committee presented a resolution expressing sincere appreciation for Brother Campbell, who had served the Association three and one half years. A motion passed authorizing the Treasurer to pay his salary through September, but he was permitted to discontinue his work at his own pleasure. This latter stipulation was added because of the serious illness of Mr. Campbell's daughter. The missions committee at this time was composed of N. B. Phillips, Mrs. T. G. Proctor, Mrs. Virgil Jones, George R. Roberts, and M. M. Goss. Elected at the 1953 Association were Mrs. D. G. Wilkie, George R. Roberts, M. L. Walker, B. G. Henry, and M. M. Goss. It was this latter group who were responsible for securing the successor to Mr. Campbell.

Right away the missions committee set out to find a field worker. The name of Miss Dafney Boone, missionary of the South Yadkin Association, was proposed. After an honest consideration of all factors, the committee recommended that Miss Boone be called as the missionary for the Carolina Association. A special session of the Association was called the first Sunday afternoon of November at the Tuxedo Church. Brother N. A. Melton, the Moderator, called the meeting to order and stated the purpose for the special meeting. More than forty churches were represented. M. M. Goss, chairman of the missions committee, told the group of the committee's interviews, and moved that Miss Boone be called. N. B. Phillips seconded the motion. Dr. J. C. Canipe, who had known Miss Boone for many years heartily commended her. M. L. Lewis spoke similarly. B. G. Henry and Mrs. O. J. Smith sanctioned the call. But W. S. Billingsley, Minister of the Mud Creek Church, W. C. Huntley of the Balfour Church, and

Virgil Jones of Tryon Second Church, spoke against calling a woman. After much discussion M. L. Lewis made a substitute motion that action on this matter be deferred until the fifth Sunday meeting of November.

The records are not clear, but it seems that the November fifth Sunday meeting was not held. At any rate, the matter of calling a woman as the missionary for the Carolina Association was not brought up any more.

Yet, at the Quarterly meeting January 31, 1954, Roy C. Bennett moved that the Moderator and the chairmen of the departments of Sunday School, Training Union, Brotherhood, and W.M.S., be empowered to employ a woman to open an Associational office in Hendersonville. Mrs. Fred Swift was subsequently employed and opened an office in the Commercial Building, over the Westside branch of the State Trust Company, at the corner of Main Street and Fourth Ave. Mrs. Swift kept the office open a half day, five days per week. Moreover, Mrs. Swift was very successful in conducting vacation Bible school clinics, working with the Training Union leaders, W.M.S. leaders, etc. Mrs. Swift was an experienced Christian worker, having previously directed Junior work in the Training Union Department of the Sunday School Board.

Through the latter part of 1953 and all of 1954 the missions committee was faithfully at work seeking the man who best could lead in the Carolina Association. Brother J. C. Pipes, area missionary for the State Baptist Convention, proposed that the Carolina and Transylvania Associations go together and select a well-trained man who would jointly lead the two Associations. The Carolina missions committee made contact with the Transylvania committee who looked with favor on the proposal, but they, as the Carolina committee thought this should be discussed at the annual meetings of both Associations. Both Associations at their August meetings approved the venture, and authorized one committee to be made up of personnel of both committees.

In time, contact was established with Clay R. Barnes, pastor of the Oakdale Baptist Church, Spencer, N. C., who was acceptable to both Associations. He began his work as missionary for both Associations, January 1, 1955, with an office in his home on the Brevard Road in Hendersonville. The 1955 minutes of the Association carry a copy of resolutions adopted by the Rowan Baptist Pastor's Association concerning Brother Barnes. He was heartily commended to the brethren of these two Associations.

Upon his arrival at his new post of duty Mr. Barnes was catapulted into the midst of one of the several beer-wine elections thrust upon the people of Henderson County and Hendersonville. A successful campaign for righteousness was waged through the coordinating and unifying efforts of the Associational office. In March, 1960

the wets won in Hendersonville by a narrow margin, and thus established an ABC store in the city. This was the first time alcoholic beverages had been sold legally in Henderson County since 1908.

From the beginning Mr. Barnes has been energetic in the promotion of all good things. He issues a monthly bulletin which carries news and comments from both Associations. This bulletin has received compliments from readers far and near. Mr. Barnes counsels and encourages the pastors and in a sense serves as their "pastor". Through the organizations and committees he promotes evangelism, stewardship, missions, and education. Under the leadership of the missionary a calendar of activities for the Association is prepared.

In the spring of 1961 the Association experienced one of its finest periods of revival. Through the committee on evangelism, Homer O. Baker, Minister, Mt. Moriah Church, Chairman, and Mr. Barnes guiding and encouraging, the Association worked together wonderfully well in the Jubilee Revival. Or again, under the leadership of the Associational office, with E. R. Boyd, Minister, Main Street Church, Chairman, well-laid and elaborate plans are afoot for a School of Missions for the first week in September, 1962. During that week it is anticipated that there will be twenty-five or more missionaries teaching in the Association.

The Associational missionary is often called upon to assist churches in preparing budgets. He emphasizes the importance of including an item for missions and the Cooperative Program. Thus gradually the number of churches that give through the Cooperative Program is growing. In one recent year all but thirteen churches gave this way. The table below will tell the story.

Mr. Barnes is often asked to assist churches in locating prospects for the pastorates of the churches. He never attempts to do more than put churches in contact with the ministers. It is up to the churches to call the man of their choice. Then again, he serves as liaison officer between the churches and the State and Southern Conventions.

Vacation Bible clinics, and training courses are planned and aided through the Associational office. The Pastor's Conferences furnish Mr .Barnes an opportunity to keep in touch with many of the ministers. It is here that many of the plans are discussed and launched which result in the advancement of the work.

In 1958 during Mr. Barnes' ministry in the Association a significant event took place. The story is as follows:

Dr. Henry Stroupe, Professor of History, Wake Forest College, was chairman of the North Carolina Baptist Historical Commission that year. His interest was secured in the attempt to place a marker at Faith Tabernacle, the site of the old Boiling Springs Camp Ground, where the Western Convention was organized in 1845. Through Dr. Stroupe and Dr. M. A. Huggins, Executive Secretary, the North Carolina Baptist Convention, the large boulder and bronze plaque were

unveiled as part of the annual meeting of the Carolina Association. The evening session of the Association, held in the new Sanctuary of the First Baptist Church, Hendersonville, emphasized our heritage. Dr. Stroupe gave a learned and interesting address on the Western Convention, and Dr. Charles E. Maddry, former Secretary of the North Carolina Convention and former Secretary of the Foreign Mission Board of the Southern Baptist Convention, spoke on the general subject of our heritage. Between the afternoon and evening sessions of the Association the plaque at the Faith Tabernacle was unveiled, with a large group observing and participating. Among those present was Roland Rickman of Franklin, grandson of Merrit Rickman, one of the founders of the Western Convention, and longtime pastor of Mills River Church.

Another part of this story should be told. Dr. Christopher Crittenden, Director of the State Department of Archives and History, Raleigh, has been interested in marking spots of historical interest. He has arranged with the State Highway Department to move boulders and stones free of charge, that places of interest might be marked. The stone placed at Faith Tabernacle was located on Bear Wallow Mountain and transported and mounted by the Highway Department, under the direction of Mr. R. A. Gash, Maintenance Supervisor, of Henderson and Transylvania Counties. Mr. Fred Gentry of the Hendersonville Monument Company, had the plaque made without profit to himself.

The inscription as prepared by Dr. Stroupe is as follows:

"On August 30, 1845, delegates from 19 churches of Salem, Tuckaseigee and Valley River Associations, met at Boiling Spring Camp Ground, located here, and formed The Western Convention, auxiliary to the Baptist State Convention. The first officers were: Jehu Chastain, President; James Blythe, first Vice President; Merrit Rickman, second Vice President; Thomas Morris, Recording Secretary; Elisha King, Corresponding Secretary, and Epaphroditus Hightower, Treasurer.

"In 1857 this body declared itself an independent organization, entitled the Western Baptist Convention of North Carolina. On October 21, 1898, the Western Convention, meeting with the Hendersonville Church, voted to dissolve, and to unite its nine associations with the State Convention. Their delegates were received into the State Organization December 9, 1898.

"Erected August 5, 1958, by the Historical Commission of the Baptist State Convention of North Carolina."

No one would claim that the missionaries whose work has been discussed here are solely responsible for the progress that has been evidenced. They themselves would be the first to disclaim such credit. But it has been during their tenure and under their leadership that these accomplishments have been realized. The chart below will tell the story.

ANNUITY BOARD
OF THE
SOUTHERN BAPTIST CONVENTION
1961 ASSOCIATIONAL REPORT

The offices of the Annuity Board of the Southern Baptist Convention are located in our own beautiful new building at 511 North Akard St., Dallas, Texas. R. Alton Reed is the Executive Secretary.

Perhaps you have noted the change of name. The word "Relief" has been eliminated from the title of this board. The Annuity Board is one of four major boards of the Southern Baptist Convention. Its purpose is to receive dues from the churches and members month by month, invest the money, and then at retirement, be able to pay an annuity for the remainder of the Annuitant's life.

A growing number of churches are paying all of the 10% for the member. In other words, if the minister receives, say $4,000.00 annual salary, whereas previously the church paid 5% ($200) and the member 5% ($200), now many churches are paying 10% ($400). This is a worthy thing to do. With inflation as it is, the member must have more income than would be provided simply from the annuity. Thus, ministers are more and more entering Social Security on a personal basis. The law provides that the minister must pay the Social Security tax if he elects to go into it. In view of the fact that in business Social Security taxes are shared by the employer, it is thought reasonable to ask our churches to assist by paying Annuity Board dues. More than 4,000 churches are now doing this.

Should you be interested in pursuing the matter, contact R. T. Greene, field representative of the Annuity Board, 301 Hillsboro St., Raleigh, N. C. He would be glad to visit the church, Association, or see any one personally.

Report of the Baptist Hospital by R. L. Davis, Address by Ben Patrick, chaplin. The report is as follows:

BAPTIST HOSPITAL REPORT

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most please with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastor's Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for private patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. We must remember that the help given is limited by the Mother's Day gifts of our churches.

The Hospital has prepared a full and attractive information file folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted, Richard L. Davis, Hospital Rep.

Report of Baptist Children's Home by Mrs. Ebb Bishop. Address by Roger Williams. The report is:

CHILDREN'S HOME REPORT

North Carolina Baptists, recognizing the dignity and worth of boys and girls have provided for more than 800 deserving children an agency which will give them love and nurture. This agency is known as the Baptist Children's Homes of North Carolina, Inc. We have three Homes which are located in Thomasville, Kinston, and Pembroke. In addition to those receiving institutional care in these three homes there are nearly 200 in foster homes and others in homes of their mothers with both groups receiving financial aid from the Children's Homes.

This agency provides a well rounded program of development for each child. They attend schools just as our own children. The Baptist Children's Homes assumes the responsibility for the care of students through High School. Wholesome recreation is enjoyed by all. A complete health program is maintained in each home which assures the best in medical care. Campus duties and work on the farm, in the shops, dairy and sewing room is shared by all the boys and girls alike.

Children are given a vacation time during the summer and at Christmas and Easter and Thanksgiving also add an opportunity for visiting. The spiritual life of the children is carefully guided and every opportunity given for Christian growth.

As your church supports the Cooperative Program, and as you give a special offering at Thanksgiving, you can make a home for these homeless children. North Carolina Baptists have been doing this for 73 years. Shall we continue? With your prayers and support we can continue this ministry of love and care for dependent children.

Report on Baptist Literature by Lyman Wilson, address by Marse Grant.

BAPTIST LITERATURE REPORT

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

More than 1,700 churches now have RECORDER clubs but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The Every Family Plan, costing only 4¢ a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week or $2.50 a year.

Those connected with the BIBLICAL RECORDER consider it an honor as well as a responsibility to serve North Carolina Baptists. Keep them in your prayers during the coming year.

Another paper of concern to Baptist of North Carolina is CHARITY AND CHILDREN. This paper carries an up-to-date record of the latest happenings at home and throughout the Southern Baptists territory.

The HOME LIFE Magazine is specially designed for the Christian family. This magazine is published by the Sunday School Board at Nashville.

Report on Homes for The Aging by Raleigh Maxwell, address by William A. Poole.

HOME FOR THE AGING REPORT

Our 4 homes - Resthaven and the Hayes Homes in Winston-Salem, the Albemarle Home at Albemarle, and the new home the Hamilton Home located in Eastern North Carolina which accomodates 30, remind us of what can be done when we unite our efforts.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning there were 20 residents and now we are able to give loving care to 160 persons. 90 percent of these are financially needy people and are sustained by the Special Day offerings from our churches each year.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. The pleas of these elderly people should challenge every North Carolina Baptist to move forward in this great ministry which God has committed to us and in so doing Psalms 71:9 will truly be meaningful when we read "Cast me not off in the time of old age; forsake me not when my strength faileth."

Historian report by N. B. Phillips.

HISTORIAN REPORT

The Association is the most immediate means through which local Baptist Churches collectively engage in activities for this and purposes which cannot be accomplished by any particular church. Baptist Associations were organized as early as 1642 in England; in America the Philadelphia was organized in 1707; the Charleston in 1751; Sandy Creek in 1758; the Kenukee in 1769. In North Carolina, we now have 80 Associations with 66 full time Associational Missionaries or Superintendent of Missions, serving the churches. The Carolina Association was organized in 1877.

The churches have in the past seven years made phenomenal advance in gifts to world missions, Cooperative Program gifts 1954 - $24,652.81; 1961 - $44,663.00; Total Gifts to Missions 1945 - $56,720.00; 1961 - $101, 940.00; Hospital 1954 - $3,559.77, 1961 - $6,918.00; Home Missions 1954 - $2,887.77, 1961 - $5,751.00; Designated Foreign Missions 1954 - $5,263.28, 1961 - $22,906.00.

During the past two years many of our churches have made improvements in building and equipment. Tuxedo has completed a new brick educational building; Balfour has moved into its new building; Crab Creek has installed new pews; Cross Roads has completed an entire new building; Etawah is building a $18,000 parsonage; French Broad has built several new Sunday School rooms; Fruitland has completed a new and modern educational plant; Main Street moved out of old auditorium into a larger one; Valley Hill is now building an entire new church building; West Hendersonville has purchased a lot for the erection of a new church building; Horse Shoe has begun a new educational building; Mt. Moriah has a new educational building with many other improvements; Naples has completeted a new church building; Pleasant Grove has put in a water system; Saluda has completed a new auditorium and several Sunday School rooms; Upward is

working on a new church building. Other churches have made improvements or planning for the future.

We commend our pastors and the people for the marvelous progress that has been made and challenge all of our churches through Cooperative prayer and Christian fellowship to march forward from victory unto victory in the name of Christ.

The congregation sang, "Work for the Night is Coming."

M. M. Goss gave Associational Missions Report, address by Clay R. Barnes, with special music by Dan Wallen, pastor in Transylvania Association.

MISSIONS REPORT

The Carolina and Transylvania Associations, with the Mission Board of the North Carolina Baptist Convention, support an Association Mission program, with an office at 705 Blythe Street, Hendersonville, North Carolina. Clay R. Barnes has been our missionary for the past seven and one-half years.

Working with the 95 churches of the two associations is a demanding job. The matter of getting around, for instance requires that Mr. Barnes drive 15,000 miles per year. It is all but fatiguing to read a recap of the annual report of Mr. Barnes.

As a sample note, Mr. Barnes preached 104 sermons and gave 40 addresses. He attended 66 Associational meetings, taught 24 study courses, and attended 59 pastor's conferences. He held 480 personal conferences and 144 group conferences, and attended 50 committee meetings. A list of materials he prepared and issued from his office include letters, newsletters, associational programs, posters, calendars of activities, which run into the thousands.

We are unable to put an exact value of any program to which we stand so close, but there is no doubt that the program of associational missions is one of the most significant projects we are promoting.

E. R. Boyd made motion that Fritz Hemphill be given five minutes to tell of the work of Fruitland Institute. The motion carried.

Pastor of the host church, Brother Homer Baker, welcomed the Association to the church. He also gave instructions concerning the noon hour and dinner.

Address by Fritz Hemphill on Fruitland Institute.

Congregation sang, "What a Friend."

Sermon by Richard L. Davis. Text taken from Isiah 6:1. Benediction.

AFTERNOON SESSION

Howard Starks led the congregation in singing of the hymns, "O For A Thousand Tongues" and "Saviour Like a Shepherd Lead Us." Scripture and prayer by Ted Reed.

Recognition of visitors and state workers.

Report on Temperance and Public Morals. Address by Frank Carter.

TEMPERANCE AND PUBLIC MORALS REPORT

The problems of public morals is forever with us and it should concern every person who names the name of Christ. It is strange that in this great country of America where the gospel is proclaimed by so many people in so many different methods that we must report that immorality is on the increase.

It is reported that half a million marriages, one out of every three, in the Unites States end in divorce each year. Alcohol plays a big part in this and all other crimes in America. There is approximately 65% of the adult men and 56% of the adult women in America who partakes of alcoholic beverages. The American people spend over nine billion dollars each year on legal liquor, another four billion on illegal liquor, five billion or more on "cures", five billion more on work stoppage due to drunkness, and another five billion more for crimes in which drunkness has a part. It has been reported that $215,199 was spent for legal liquor the first quarter of this year in the ABC store here in Hendersonville. The liquor sales in three Western North Carolina cities totaled $1,522,764 during the first quarter of 1962. The statewide ABC sales for the first quarter was 12½% over the same period of last year.

Mr. J. Edgar Hoover reported that major crimes in the United States rose three per cent last year; this is a new all-time record. He especially depored the increase in arrest of youngsters under 18. He called it "one of the major problems plaguing law enforcement" and said that unless something is done to reverse this trend it will result in "serious consequences for the future of our country."

According to Mr. Hoover's report crime in America cities for the first three months of 1962 showed a slight one per cent increase over the same period in 1961. Crimes against the person recorded a sharp increase of six per cent led by serious assault up seven per cent, forcible rape three and murder one. Robbery and auto theft were each up two per cent. Street robberies were up one per cent, whereas residence robberies jumped thirteen per cent, bank robberies sixteen per cent and chain store robberies three per cent. Burglaries of residence during the daytime recorded a sharp eighteen per cent increase. In the larceny category, shoplifting was up eleven per cent and pickpocket activity five per cent.

Yes, the picture is dark, but in Christ Jesus, our Lord, we have a Saviour and in Him is no darkness at all. May we walk in the light as He is the light that others might come to see and know Him as the way, the Truth, and the Light.

Report of Nominating Committee by T. G. Proctor.
Report on Christian Education by Mary Alice Fetner. Address by L. H. Hollingsworth and W. L. Lynch.

CHRISTIAN EDUCATION REPORT

A Christian institution is distinctive in that special emphasis is put on Christian truth and Christian interpretation of classroom teachings. The seven marks of a Christian educational institution are:

1. Christian ownership
2. Christian administration
3. Christian faculty
4. Christian students
5. Christian ideals
6. Christian teachings
7. Christian service

In the Southern Baptist Convention territory, there are nineteen junior

colleges, seven academies, five Bible institutions, seven seminaries, including the American Baptist Theological Seminary which is supported joinlty be the National Baptist Convention and the Southern Baptist Convention, and thirty-two senior colleges and universities. All of these are supported through endowment, the Cooperative Program, gifts, and grants, and student fees.

Convention-wise, Southern Baptist had in 1958, 32,667 Baptist students enrolled in Baptists Schools compared with 34,140 students in 1961. This shows an increase of 4.5% during this three year period.

In 1944 the Council on Christian Education was created with the purpose of coordinating the North Carolina Baptist State Convention with the seven Baptist Colleges in this state. This board includes convention officers, the General Board, and representatives from each of the institutions.

North Carolina Baptist have seven colleges, all of which give degrees in the liberal arts and sciences. Two of these schools, Campbell College at Buies Creek and Mars Hill College at Mars Hill, are expanding their curriculum to include a four year program. Wake Forest, on of the two Baptist Senior Colleges, offers the master's degree in the School of Arts and Sciences and the Ph.D. in one department of the Bowman Gray School of Medicine.

Included in the educational program of North Carolina is Fruitland Baptist Bible Institute near Hendersonville which was established and designed to meet the needs of ministers who because of age of lack of preparation cannot attend college or seminary. During the 1961-62 session Fruitland had an enrollment of 172 with a graduating class of thirty-seven.

Also, North Carolina Baptists are privileged in having one of the seven seminaries, Southeastern Baptist Theological Seminary, located at Wake Forest. In 1961 there were 755 students enrolled in this institution.

With these facts and statistics before us, we as North Carolina Baptists have the responsibility of supporting whole heartedly our program of Christian Education.

Report on Sunday School by O. J. Smith.

SUNDAY SCHOOL REPORT

The year 1961-1962 has been a good year in which much progress has been made.

Many visits to the churches have been made for the purpose of stimulating interest and giving information and encouragement.

Most of the officer's meetings have been well attended with good programs.

In March a central study course was held. The number enrolled was 335 with average attendance of 344 and 24 churches taking part. There were 137 awards received.

It had been sometime since the association had this type of study course.

The Daily Vacation Bible School Clinic was held at East Flat Rock Baptist Church with a large number attending. Mr. Kesterson of the Sunday School Department contributed much to the success of this meeting.

Many Bible Schools have been held during the month of June. In which much is being done to encourage interest in giving through the Cooperative Program, since this is encouraged throughout the Southern Baptist Convention.

As the Bible School grows the interest in missions grows. Last year there were 3,088,721 enlisted in Bible Schools. Most of these sent their offering through the Cooperative Program. The number of churches having

Bible Schools were 28,824. This is report of the entire convention. The gifts to Cooperative Program were $488,355 when total gifts to missions through Cooperative Program were $576.706.

We as an association can be proud that we have had a part in this great growth in 1961-1962.

Training Union Report by Mrs. Junius Huggins. Address by Clyde Johnson, Associational Missionary of North Greenville Association.

TRAINING UNION REPORT

We recognize that the Associational Training Union Organization is a service organization. Our aim and purpose is to promote Training Union work in all the churches. Training Union work is growing in our association. Four new unions have been organized during the associational year. We are grateful to God and our pastors for these gains. Someone has said, "The time to begin developing a good church member is immediately following his baptism." Training Union is our Baptist Conservation program. Training Union seeks to enlist in training new converts and other church members for the deepening of their spiritual lives.

We had several four year winners in the state Junior Memory Work Tournament at Fruitland Assembly in June.

Attendance at "M" Night this year surpassed all previous records. We had the largest number of pastors we have ever had.

The names of the new Training Unions are: Mt. Valley, Pacolet, Oak Forest, Cedar Springs.

Report on Relief and Annuity by M. M. Goss.

ANNUITY BOARD REPORT

The Annuity Board is one of the four major boards of the Southern Baptist Convention. It was organized in 1918, with offices in Dallas, Texas. Its purpose is to provide annuities and relief for retired ministers and denominational servants and their wives and widows.

About 64% of the churches participate in plans which will provide annuities for the retired pastors. All of the institutions and agencies of the Convention make provision for their servants when they are retired. There is a gradual decrease in the number of relief beneficiaries, since there has been an increase of the number of churches which participate in the annuity plans provided.

Churches that have not been setting aside some fund month by month through the Annuity Board are encouraged to investigate the matter. Guy S. Cain, 301 Hillsboro Street, Raleigh, North Carolina would be glad to advise with you. These funds are set aside, invested, and upon the retirement of the pastor, will provide an annuity as long as he lives.

Two matters make this urgent: people are living longer, and churches want young ministers. As ministers get older they will be unused, and yet they live to be old. Who is to support them? During their productive years this matter should be cared for. Deacons are asked to consider this need.

Respectfully submitted, Mack M. Goss

Report of Committee on Committees by C. J. Fervis
Report of Music Committee by Howard Starks.

MUSIC MINISTRY REPORT

The Music Ministry begins its report to the Association by reminding all that this organization is to organize the music work so as to serve all the Churches of the association. Let it be known that we have officers serving in various area of church music who are willing to assist in the local situations if but requested. One Church requested assistance this past year to have a music school which was provided for.

Two music committee meetings were held during the year and early in the year a beneficial music conference concerning the Music Ministry was held.

Our Association along with the Transylvania and Green River Associations cooperated with the state in having a joint Associational Music School simultaneously with the State Music Conference at the Fruitland Baptist Assembly in August of last year. This is an opportunity which few associations are blessed with. We will again have this opportunity August 13-17, 1962. There will be morning and evening classes.

We encourage each church in the association to ask for our assistance in organizing choirs, music program preparation, music training or any other phase in which there is need. Also, please complete the section with the heading Music Ministry in your annual church letter to the Association. You have a Music Ministry when the church: 1. Elects a person to direct the music. 2. Has at least one music group which meets regularly (possibly on Sunday morning only.) 3. Uses music to strength worship, education, and evangelism. You have a Music Ministry.

A great need in most of our Churches is adequately trained leadership; good and adequate hymnals and music (Baptist Hymnal is recommended); a development, understanding, and use of music which is doctrinally sound, scriptually true and that glorifies God through music and text.

Respectfully and submitted, Howard F. Starks

Mrs. T. G. Proctor gave Obituary report. (See Page 26-27.)

Report on Evangelism by Homer O. Baker. Address by L. H. Hollingsworth.

EVANGELISM REPORT

Preachers and Church members of the Carolina Baptist Association are rallying to the call and challenge of Christ to evangelize, but not in sufficient strength to overcome the powers of darkness. God truly moved in revivals in many areas of our association this past year. Reports from the churches will tell the story of our stewardship in evangelism. In addition to revivals in local churches two Preachers' Revivals were held at the Mt. Moriah Church, and another one is planned for September 17-21. This is an indication of interest and concern. Thirty-eight preachers attended the last revival planned especially for "us". Yet we need the resurging power of the Holy Spirit to awaken us out of our apathy and to give us greater concern if we are to meet the challenge of this day.

We acknowledge the progress of science, and with just pride so long as God directs, but while billions are being spent to get man to the moon comparatively little is being spent to get man to the Master. The world's population increases at the rate of 48,000,000 per year, while all religions are winning only 10,000,000. Thus Christians are faced with the challenge as to whether we will permit the name of our God to be pushed back to a pagan-past concept when He was reckoned as merely one among many. Today's world challenges us to demonstrate who and where our God is. The only answer we have is: "You ask me how I know He lives? He lives within my heart." This is evangelism at its best.

We Recommend:

1. Fervent prayer and resurgent interest in evangelism throughout our convention and the world.
2. Continuous, week by week, evangelism throughout the year when personal, face-to-face witnessing is practiced by all Christians; and at least two revivals per year in all our Baptist Churches.
3. Associational participation in "Baptist Jubilee Revivals" through 1964. (Actual dates to be filled in at association).

Respectfully submitted, Homer O. Baker, Chairman of Evangelism

Brotherhood and Royal Ambassador Report given by Roy Huggins.

ROYAL AMBASSADORS REPORT

"The aim of Royal Ambassadors is to provide experience for boys based upon their spiritual, social, intellectual, and physical needs that will help them become dedicated to the cause of Christ around the world." It deals with the total boy.

Certain objectives have been prepared to help boys reach the Royal Ambassador aim. These objectives serve as guideposts and are to help plan a rich Royal Ambassador experience for the boys. As related to boys, these objectives are:

1. A knowledge and an appreciation of and commitment to God's will for their lives.
2. A sense of personal responsibility for Christian Missions.
3. A knowledge and an understanding of the work of their churches and denomination.
4. A keen desire to use their lives through Christian witnessing and service to others.
5. The deepening of Christian appreciations, attitudes, standards, and conduct in their social relationships.
6. Growth in physical competency, including bodily development, vitality, and skills.
7. The development of self-expression, reasonable self-confidence, and emotional control.

These objectives will prove valuable only as they are reflected in the lives of the boys now and as they become men.

Three study courses have been held this year. One was a basic leadership course, one on Foreign Missions and one on Home Missions.

Royal Ambassador work is growing under the new program. Eleven new chapters have been organized in the past year. Our Associational leaders are: Crusaders (9,10,11) Rufus Pace; Pioneers (12,13,14) T. G. Proctor; Ambassadors (15,16,17) J. F. Rymer.

Respectfully submitted, Ray Jones, Associational R. A. Leader

BROTHERHOOD REPORT

Brotherhood work has its greatest challenge now especially since the Woman's Missionary Union ladies have relinguished their leadership of the Royal Ambassador boys to the men of the churches. Much interest is

generating among the men of the churches. Brotherhoods are being organized, we have a net gain of three over last year. Now have a total of twenty.

The new outline of committees make for good program material source of the whole year.

1. Royal Ambassador
2. Christian Witness
3. Personal Stewardship
4. World Missions

This thereby, permits the Brotherhoods to grow in each church without so much concern to bring in outside speakers for the monthly meeting. If each of the above named committees led in only three programs a year it would greatly enrich the life of each Christian.

Report on Foreign Missions by E. R. Boyd. Prayer by Mr. Boyd.

FOREIGN MISSIONS REPORT

In 1962 think of our 1,600 foreign missionaries and their serving in 47 nations around the world. Continuing support through prayer, missionary giving, and life dedication gave much reason for encouragement throughout the year, and a feeling of confidence as the future is faced.

Advance in foreign missions calls for sending and maintaining an enlarging missionary staff and cultivation of all types of work on mission fields. Every ministry which blesses the home base is needed through the world.

The objective of the Foreign Mission Board is to have under appointment by the close of 1964 a minimum of 2,000 missionaries.

In financing the work of foreign missions, there are three main divisions of responsibility. First, missionaries must be sent and supported. Second, funds must be provided to cultivate developing programs of work on mission fields. Third, resources must be made available for capital expenditures. The importance of buildings for churches, schools, hospitals, seminaries, publishing houses, good will centers, and missionary residences can hardly be overstated.

The Foreign Mission Board makes appropriations for objects which have been recommended by the mission fields after very careful study, prayer and agreement. On this bases the funds used for mission work enable those projects to be undertaken which the missionaries and national leaders consider to be most urgent in their respective fields.

The urgency of the missionary task across the world increases each day. We must bring to this enterprise not only resources in terms of lives and money but increasing spiritual power through prayer and faith. Work must be extended into many lands we have not yet entered and work which has begun in many fields we are now serving must be strengthened and expanded.

The Foreign Mission Board looks to the Cooperative Program and the Lottie Moon Christmas Offering for financial resources for world-wide missionary labor. May God grant an increasing liberality in missionary giving to the end that the type of missionary labor our Lord is expecting in this day can become a reality.

Respectfully submitted, E. R. Boyd

Woman's Missionary Union Report by Miss Audrey Saunders. The Tuxedo G. A. girls presented a Mission Program. Special music arranged by Juniou Huggins.

WOMAN'S MISSIONARY UNION REPORT

In 1920 the minutes of the Carolina Association reported: 32 churches with 10 Missionary organizations

In 1962 we report:

62 churches with 128 missionary organizations as follows:

37 - W. M. S. - for married women
19 - Y. W. A.'s - for young, unmarried women 16-24
38 - G. A.'s - for girls 9-15
34 - Sunbeam Bands for children Birth - 8 years

We praise the Lord for His blessings upon our labors for His glory and ask His continued guidance as we continue to promote Christian missions among the women and young people in our Baptist churches.

When we study the cause of missions we know the needs of lost mankind. When we know the needs we pray for lost people. As we pray for the lost we realize something must be done--we must put our feet under our prayers. We undergird our prayer with giving. We give--of our time in witnessing to the lost around us.

We give--of our money that lost people unto the ends of the earth may hear the story of Jesus and His love.

We give--our sons and daughters to be His messengers to carry the "Good News" of Jesus to every creature.

We rejoice that we are giving more of our money for missions at home and around the world. Our Lottie Moon Christmas offering for Foreign Missions last year totaled $18,603.45 and the Annie Armstrong offering for Home Missions was $4,331.94.

"That Thy way may be known upon earth, Thy saving health among all nations" - Psalm 67:2 -- this challenge comes to the members of Woman's Missionary Union and to every Christian church member.

Jesus set the example for us to follow, but so many of us are busy just going about our own affairs -- not about our Master's assignment. God does not call all of us to the Mission field but He has called every believer to the task of Christian Missions.

The message of Jesus could be given the whole workd in this generation if Christians were obedient to Christ's marching orders. New Christians will not know His teachings and obey them until we "teach them to observe (obey) all that He (Christ) hath commanded us" to do. Woman's Missionary Union seeks to enlist women and young people in our churches in Christian Missions that all the world may know His Saving Grace.

Report of State Missions by Henry Stokes, address by Nane Starnes, pastor of West Asheville Baptist Church.

STATE MISSIONS REPORT

"In its broader sense, the term "state missions" would include all of the witnessing that is being done by all Christians in North Carolina." Miss Miriam Robinson, Executive Secretary of Woman's Missionary Union of North Carolina, has aptly defined the scope of State Missions as she wrote the words above and sent them to every Woman's Missionary Society in North Carolina. State Missions is witnessing. It is you and I carrying out the Great Commission. It calls for PEOPLE - people in local churches, pastors, associational and state leaders praying, going, giving. We must be challenged by the areas of need which would call for our resources. We are striving for an offering of $200,000 to meet the needs of these more than thirty phases of the State Mission Program.

What does this witnessing include in our mission work Baptists in North Carolina are doing? Ask the little church who needs financial aid to pay their preacher and help to buy land on which to build a church. Follow a summer worker as he or she directs Vacation Bible Schools or assists in Sunday School and Training Union Enlargement Campaigns. Attend Fruitland Camp and Caswell Assembly and share in the camp, educational, mission, or music training offered by them. Go to the military bases at Cherry Point, Jacksonville and Fayetteville where you will find 3,000 Japanese women and children, families of American servicemen. Observe Jerry Potter and others who minister to more than 5,000 people in North Carolina who cannot hear. Listen to a pastor who has received training at the Fruitland Bible Institute. Visit churches with the head of the Department of Evangelism as he helps them to keep the fires of evangelism burning. Use the many visual aids provided by that department. Support the efforts to promote total abstinence against beverage alcohol in its every form. Stand with those who must counsel at sanatoriums and correctional institutions. Watch happy, well-cared for children at play, work or worship in our Children's Homes. See the smiles on the faces of those in our Homes for the Aging. Work with those of other races in institutes and study classes.

All this you will do, see and feel if you engage in the work of State Missions. As we say again with Miss Robinson, "State Missions includes all of the witnessing that is being done by all Christians in North Carolina." This is OUR work, our opportunity not just to know about State Missions but to DO State Missions.

Respectfully submitted, Henry B. Stokes

The 85th Session ended with the singing of "Blest Be The Tie," and benediction by Clyde Fetner.

In Memoriam

These are the names of dear ones who have gone to be with the Lord. The Apostle Paul declares this to be "far better" than our days here on earth. In Proverbs we read: "The path of the just is as the shining light, that shineth more and more unto the perfect day." These have joined that cloud of witnesses who would have us to run with patience and steadfastness, and faithfulness the race that is set before us, looking always unto Jesus, the author and finisher of our faith.

We, the members of Missionary Baptist Churches in the County (ies) of Henderson and Polk, State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district Association in conformity to the following plan:

The name of this body shall be the "Carolina Baptist Association."

ARTICLE II - PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian Education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association.

SECTION 3. Churches desiring membership in the Association shall apply to the membership committee and if recommended by this committee and accepted by the Association shall agree to come under the watch care of the Association for a period of one year. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

ARTICLE IV - MEMBERSHIP

SECTION 1. The Association shall meet annually on Tuesday, after the first Sunday in August, and quarterly each fifth Sunday. BAPTIST FOUNDATION, INC. REPORT

Since July, 1962, the North Carolina Baptist Foundation has established an office in the Baptist Building with a full-time Executive Secretary and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphasis.. The activities of the Executive Secretary have been varied. One of the purposes of the Board of Directors has been to carry the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity. These contacts have been quite stimulating and it remains to be seen what results will accrue from these contacts.

On June 30, 1962, we reported to you that the assets of the Foundation amounted to $303,186.66. The assets of the North Carolina Baptist Foundation as of June 30, 1963, were $324,256.39. Since the close of business last year in June, 1962, the Foundation has technically in its control two estates of rather large size. The estate of R. Sterling Graves amounts to approximately $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the

trustees of the estates and for all practical purposes they will be turned over to the Foundation in the very near future. These two estates will push our assets to over $870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptists. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation exists to serve ALL Baptists.

The Baptist Foundation Board of Directors and the Executive Secretary wish to express their deep appreciation to the various organizations, institutions and agencies that have assisted them with the promotion of the Foundation program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

- C. Gordon Maddrey, Executive Secretary

W. Albert Hill, Moderating.

E. R. Boyd reported on Baptist Hospital. W. K. McGee made the Address.

BAPTIST HOSPITAL REPORT

Most churches in our association have given financial expression to their continued Christian devotion to fulfilling the needs of the sick and those who are sick and financially distressed, at our Baptist Hospital in Winston-Salem.

In May, 1963, our hospital was forty years in Kingdom Service, and has grown from 80 beds to 532 beds. It affiliated as a teaching hospital with the Bowman Gray School of Medicine in 1940, and the partnership has been a valuable one. In addition, the hospital operates seven Health Education or Paramedical Schools, trains Interns and Residents, operates a large "Service" Out-Patient Department, and devotes 40 percent of its In-Patient days to "Service Patients" who can pay part or none of their cost of care.

All of this has been made possible by the Mother's Day Offering, the Cooperative Program, the Woman's Missionary Union, countless individual, corporate and Foundation Friends.

Your hospital provides the Ministers, students, and patients a vital living spiritual ministry through the Department of Pastoral Care. It also gives liberal help in hospital costs to Ministers, their families, and to Missionaries from Foreign Fields.

Your further generous support and prayers are much needed.

Respectfully submitted, E. R. Boyd

Adoption of Report of Children's Homes as submitted by Clyde Fetner.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Inc. is a multiple service social agency, owned and operated by the Baptist State Convention of North Carolina and operates under a charter granted by the state. Its purpose is to provide care, support and training for dependent children. To meet the varying needs of children and their families the agency provides five major services, namely: Institutional Care, Foster Home Care, Financial Aid in the Home, Supervision of Discharged Children, and Family Counseling and Rehabilitation.

For over three quarters of a century North Carolina Baptists have seen to the care of homeless and dependent children, ministering to their needs with Christian compassion and concern.

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. Dr. Wagoner and his staff are indeed grateful for the every remembrance -- the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing, and other things. Without these they could not provide the many services to children and families which they do.

The physical, mental, social, and spiritual growth and development of the children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services have been provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly the entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts four areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increased financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must. Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Respectfully submitted, Clyde A. Fetner

Motion was made to exchange the time between Baptist Literature. It carried, Edna Corn made motion to adopt the report. The report was adopted. Marse Grant gave the Address.

CHRISTIAN LITERATURE REPORT

The contacts, impressions and surroundings of a person largely make up his mind, habits, and actions. Even a worm takes on the color of the plant or leaf on which it feeds. Human beings take on the color and nature of what they read. Never before has there been so much to read. Publishers have dressed up their wares in rainbow colors and used every style, tricks and art of printing to make their publications look tempting to the young and old. Much of this popular literature is bad and pours like a storm of poison from the presses of profit hungry publishers. It loads down the news stand and clogs the mail boxes of all who will buy and receive it. Much of this unclean reading matter gets into Baptist homes. This should never be, for no other denomination has so wide a variety of good CHRISTIAN LITERATURE as Baptists have to meet the spiritual interests and needs of every member of the family.

We have literature published that is second to none in good wholesome, informative and spiritual reading. Some of these are, The Sunday School, Training Union, Woman's Missionary Union, and Brotherhood literature. Then the Home Life, which every family should read, The Commission, Home Missions and others. Then we have Upward for Intermediates, Adventure for Juniors, and Storytime for Beginners and Primaries, the Sunday School Builder and the Training Union Magazines. These are just a few of the 105 separate pieces of literature published to help build Christian character as they are used effectively with individuals from birth through life.

Here in North Carolina we have Charity and Children and the BIBLICAL RECORDER published by our state. The BIBLICAL RECORDER which is sent out each week is 130 years old. It continues to be fresh and up to date as the morning headlines. It still carries out the purpose for which it was started, to help give the Gospel to North Carolina and then to all the world. It also promotes Missions, Christian Education, Social Service and the distribution of sound Christian Literature. We may subscribe for the Recorder by the Individual Plan, Every Family Plan, which is only 4¢ per family a week, or use the Club Plan costing only 5¢ per week.

Let us consider these questions. How much sound CHRISTIAN LITERATURE comes into your home each week to lift up, inspire, and enrich the minds and hearts of your family? Is your Baptist state paper coming by mail into your home each week? Is your mail-box getting only that which is good and wholesome to read? Is your reading table a silent witness to your Baptist faith and practice or is it cluttered with much that carries the seeds of evil on the printed page? Do you always remember that Christian Literature aims to enlist, unify, teach, and inspire people for nobler Christian service?

May we as co-laborers for Christ take advantage of the fine literature published for us. Let us put the BIBLE first on our reading list and work together in the will of God, as we strive to promote every cause and object dar to the hearts of all Baptists.

Respectfully submitted, Edna Corn

The Annuity Board Report was adopted. J. C. Canipe gave the Address.

ANNUITY BOARD REPORT

Listed below are the churches in the Carolina Association, which, as of June 1, 1963, are enrolled in the Annuity Board's retirement program:

Fletcher, Dana, Double Springs, Hendersonville First, Main Street, Bat Cave, East Flat Rock, Bearwallow, Etowah, Beulah, French Broad, Barker Heights, Fruitland, Tuxedo, Fork Creek, Pleasant Grove, Horse Shoe, Refuge, Liberty, Saluda, Mt. Moriah, Shaw's Creek, and Mud Creek. This means that more than half of the churches in the Association are not participating in this program. This constitutes a challenge to the pastors, and Associational leaders. Every church should be participating, both for theirs and their pastor's protection.

A new feature has recently been added to the services the Board renders. For the servants of the churches and the denomination who are below 40 years of age there is the provision which allows the ones who die of nautural causes a cash settlement equal to the amount of his annual salary, and in case of accidental death, double the salary. This is a great step forward. The appeal is therefore made to the leaders of the churches that cantact be made with Guy Cain, the field representative for North Carolina. He would help work out details for your church and pastor to engage in this program.

Respectfully submitted, M. M. Goss

John Roberts, Editor of Charity and Children, addressed the Association in behalf of the Children's Home.

C. F. Jervis gave Historian's Report.

HISTORIAN'S REPORT

Two events of the Associational Year just ending deserve special mention: the School of Missions and the Central Training School. The former was conducted under the planning and guidance of Rev. Clay R. Barnes, our Associational Missionary, and Rev. T. G. Proctor, Director. The number of churches participating was 37, with a grand total attendance of 13,427. Many Home and Foreign Missionaries and other speakers were heard by the various churches participating. As a result, to use the words of Mr. Barnes, "Our people are more missionary minded, and through first-hand information, have become sold on our Southern Baptist program." Much praise was expressed by our visiting missionaries, and also by our State Workers. The Central Training School was well conducted, and considering the weather, was fairly well attended.

Many of our churches are showing great interest in the physical improvement of their church properties. In addition to many improvements by various churches in other years, we note the following churches as having completed, bought, or having under construction, new parsonages: First Baptist of East Flat Rock, Etowah, Mills River, Green River, Refuge, West Hendersonville, Shaw's Creek, and Oak Forest. New church buildings are being constructed at Upward, Valley Hill, and Mud Creek, the latter to cost $163,600, while Pleasant Grove is constructing an Educational Building. Barker Heights has bought a building for additional Sunday School space, and Mt. Moriah has made additions to both parsonage and church building. Cross Roads and Refuge have installed new pews and other furniture with complete renovation of their sanctuaries. Refuge has completed several rooms for educational space.

The following new pastors have come into the Association this year: Rev. James A. Bryant, Rev. R. P. Hamby, Rev. Floyd Brigman, Rev. Billy Walker, Rev. Vester Blanton, Rev. Roy D. Keller, and Rev. George Johnson. Rev. Ralph Banning and Rev. Wade Worley have moved from former local pastorates to other churches in the Association.

Deserving of special mention is the retirement of Rev. N. B. Phillips at East Flat Rock after a notable ministry of 38 years. Also of special interest is the return to the Association of Rev. Broadus E. Wall and Mrs. Wall. Mr. Wall was formerly Pastor of the First Baptist Church of Hendersonville, and is now retired, though very busy. Several churches in our Association are deeply indebted to him, to Rev. M. L. Lewis, and to Rev. Zeno Green for their services in the capacity of interim Pastor at various times.

It is easy to appraise our accomplishements, especially the physical. Let us determine that the spiritual progress shall not lag behind the physical progress.

Report of Chairman of Evangelism by Homer Baker. Julian Hopkins gave the Address.

EVANGELISM REPORT

As we close the record book upon another associational year, we humbly thank our Heavenly Father for the victories won, and we turn our attention to the task before us. Much of the following is Convention-wide in scope, but attention must be given to our own local Association and special efforts made to win our people to Christ.

A fine Preachers' Revival was held last September, another is planned September 23-27, 1963.

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptists TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

Associational Evangelism Clinic, November 18, 1963; New Year's Eve Prayer Service, December 31, 1963; Soul-Winning Commitment Day, January 5, 1964; Bible Study Week, January 6-9, 1964; One Night Clinic for Sunday School Officers and Teachers; Televangelism Program Begins February 1, 1964; State-Wide Evangelistic Conference, January-February 1964; Special Associational Evangelistic Rallies; Pre-Revival Visitation Program; First Phase of Spiritual Growth Program; Preaching and Witnessing; Sunday School High Attendance Day; Training Union High Attendance Day; Second Phase of Spiritual Growth Program Inaugurated; Reports - April 13, 1964.

W. B. Sinclair submitted a report of Homes for Aging. Address by William A. Poole.

HOMES FOR THE AGING REPORT

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We now serve 160 residents in our four Baptist Homes - the Hayes Home and Resthaven in Winston-Salem; the Albemarle Home in Albermarle; and the Hamilton Home at Hamilton.

In June of 1962 the doors of the lovely new Hamilton Home were opened, and it has greatly strengthened the arm of our total ministry. It has already brought much joy to its residents and to the Baptist people in Eastern North Carolina. We are looking forward to the day when Baptists can serve more of our aging people in Western North Carolina.

Our greatest single need is for more space. There are 160 people waiting for admission, and it is a heartbreaking experience to have to keep them waiting.

The average age of our residents is 80, the youngest being 65, the oldest 102. In an atmosphere that is distinctly Christian, each individual is surrounded by love, peace, and security. In the event of illness, the resident is provided with loving nursing care. We believe that in some cases years are added to the lives of persons in our care.

The tie with the people of our Baptist Churches is a blessed one. We are dependent upon the prayers, the visits, the love, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday in February each year, and the Homes' share in the Cooperative Program. Since we receive only $7.92 out of each $1,000 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support.

We have the faith to believe that North Carolina Baptists will continue to move forward in their ministry to the aging.

Report of Christian Colleges by Lyman Wilson. Address by John A. McLeod from Mars Hill College.

CHRISTIAN EDUCATION REPORT

Of special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

The advancement of our program of Christian education continues to be made possible through the gifts of the local churches through the Cooperative Program. The Baptist colleges of North Carolina deeply appreciate what has been done through the Cooperative Education Advance. The benefit from this program will be felt by the colleges for many years to come.

But we must remember that it was Dr. Baker James Cauthen who, in a letter to the secretary of the Council, pointed out that in addition to almost 200 missionaries in other lands, Baptist colleges are sending hundreds of graduates back into the local community with a direct interest in missions and other phases of church work. Baptist colleges are taking seriously the task of producing Christian leadership for our times.

Being mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service, your Baptist Colleges, working through the Council on

Christian Education, have designated Christian Education for 1964 as Christian Vocational Day. This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

We conclude this report by an appeal for all churches and all the Christian people in our state to join hands with us in 1964 in making it a great year when we "call out the called" and in which we provide adequate funds for helping these young people go to college.

Sunday School Report by O. J. Smith. Address by Clay Barnes.

SUNDAY SCHOOL REPORT

Our Sunday Schools are the Bible teaching arm of the church. It assists the Church in carrying on its most important functions; such as, worship, proclamation, education, and ministry.

This is carried on by trying to lead all church members to worship daily, to witness continually, and to provide organization and leadership for all phases of this work.

It should be disturbing to every Christian that there has been a decreast in enrollment over the last year. There were fifty-one churches that reported a decrease of 343 people while the population is on the increase.

Our theme for 1963-64 is Outreach for the Unreached through Evangelism. We hope the Sunday School will schedule the Sunday School Witness Program next January and February. To carry out this there should be an enlargement campaign. The State Sunday School Department will help you with this work. We need to locate the prospects, enlarge the organization, provide space, train the workers and visit the people.

Each Sunday School should observe January Bible Study Week and other church study courses. Encourage and make it possible for workers to attend the assemblies. The aim of each worker should be to win one soul to Christ. They should also attend the associational meetings and become acquainted with the goals for 1963-64.

Let us work together that all might come to know Jesus Christ our Lord and Saviour.

Training Union Report was adopted. Mrs. Junius Huggins reporting.

TRAINING UNION REPORT

Our churches are beginning to realize the importance of training. Our leaders are beginning to see that "A church with a Training Union is a better church." We are encouraged with the progress that was made in Training Union during the past year. We now have thirty-eight (38) churches with Training Unions. All the churches with Training Unions reported at least one Study Course for the year. We are encouraged with the fact that several of our churches observed Youth Week this year.

Marvin Corn, a member of the First Baptist Church Hendersonville, became a four year winner in the State Junior Memory Work Tournament at Fruitland Assembly in June.

Mrs. Mabel Holmes, a member of the Fruitland Baptist Church, won the State Adult Scripture Reading Tournament this year. We would like to urge all of our churches to take more interest in these Training Union Tournaments.

Ralph Banning gave report on Temperance and Public Morals.

TEMPERANCE AND MORALS

I believe that every Christian can make a contribution toward a better society. It seems to me that the answer to the problem of love morals lies in personal regeneration and transformation. When we, as God's people, become more distressed and humbled in our own hearts over sinful conditions, the situation will change. Sin is an economic waste, but there must be a deeper concern before the state of affairs is altered. Jesus Christ looked upon the havoc of sin and wept, then he conquered it. We need the same spirit.

Report of Brotherhood and R. A. work by Carrol Clark and Ray Jones.

ROYAL AMBASSADORS REPORT

The Brotherhood is an organization in your church. Its work with boys manifests itself through enlistment, training and assignment of men to give leadership to organized units of boys in a week-day curriculum of mission materials, activities, and recreation. This program of missionary education for boys is known as Royal Ambassadors.

Other phases of Brotherhood work manifest themselves through enlistment, instruction, and organization of men for assignment to work projects and activities in three areas of the program of the church --- evangelism, stewardship and missions.

The Brotherhood, like the Sunday School and the Training Union, must be completely within the will and authority of the Church.

The Royal Ambassador organization and its program are focused on the Boy. Because of the vast difference in the needs, interest, and characteristics of boys 9 through 17, three distinct programs for Royal Ambassadors have been planned. They are:

The CRUSADER program for boys 9 through 11, the PIONEER Program for boys 12 through 14, and the AMBASSADOR program for boys 15 through 17.

Each of the three programs provides boys opportunities for experience in missionary education which will satisfy their needs best.

The Royal Ambassador organization is unusual in these ways:

IT IS A SOUTHERN BAPTIST ORGANIZATION. Royal Ambassadors is promoted by churches through their Brotherhoods as a part of the total church program.

IT IS A WEEK-DAY ORGANIZATION. One of the purposes of Royal Ambassadors is to complement the Christian teachings and experiences received in Sunday School and Training Union. Its activities are adepted to a week-day schedule.

IT IS SOLELY FOR BOYS. Royal Ambassadors is the only Southern Baptist organization that is designed, planned and promoted for boys alone.

IT IS A MISSIONARY EDUCATION ORGANIZATION. Royal Ambassadors provides a program to help boys grow and develop as Christians. As a part of this experience, they should have a desire to win others to Christ.

Truly this is a challenge to the men of our churches to become dedicated leaders for our youth.

Respectfully submitted, Ray Jones, R.A. Leader

The night session began with the singing of "Rescue the Perishing" led by Junius Huggins. Glenn Connor pianist. Vester Blanton gave the devotion.

The Associational Missions Report was adopted. Clay Barnes gave the address.

ASSOCIATIONAL MISSIONS REPORT

The value of a good well balanced Associational program has in the past few years advanced beyond our fondest expectation. The fellowship is both encouraging and inspiring. The Association is not just a promotional agency, but a vital evangelistic, missionary, conservational, and doctrinal unit of our denomination. The classic Baptist word "cooperation" best describes the function of the association.

The churches have during the past year supported well and promptly the associational budget. The missions committee urges the churches to include a worthy amount in their budgets this year for Associational Missions. Send checks to Mr. M. K. Sinclair, East Flat Rock, N. C. The annual report from the Associational Missions Office along with the Historian's Report shows a part of the advance during the past year. The Associational Missions Committee commends all the officers of the association for the excellent work during the past year. See Associational Missionary's and Historian's Report.

Presentation of Home Mission Report by Henry Stokes. He pointed out the responsibility and purpose of the Home Mission Board in America and around the world.

HOME MISSION REPORT

At the close of 1962 the Board had 2,078 missionaries, a gain of 117 during the year. For the support of its work, the Home Mission Board received during 1962, $3,127,156 from the Cooperative Program; $2,891,184 from the Annie Armstrong Offering; and $194,498 from designations. The Annie Armstrong Offering exceeded the 1961 offering by $338,112.00.

The Board reports that some progress is being made in Cuba despite the circumstances which prevail there. No Baptist Churches have been closed. A study of missionary opportunities for Southern Baptists in Puerto Rico is being conducted and it is expected that the Board will make some definite decision concerning work in this area in the near future.

The work of the Board continues to grow. It is now serving through seven programs as follows: (1) The chaplaincy; (2) Associational and Pioneer Missions; (3) City Missions; (4) Language Group Missions; (5) Work with National Baptists; (6) Evangelism; (7) Church Loans. Included in these programs are more than eighty ministries.

In the work among chaplains, the Board has 491 Southern Baptist Chaplains serving on active duty and 687 ministers serving in the reserves. In thinking of city mission work, it is well to remember that 70% of the total population of the United States lives within the 212 Metropolitan areas, an increase of almost 7% over 1961.

Statistical Summary

	1961	1962

Never have Southern Baptists had a greater challenge for missions in the homeland than we have today. America cannot give to the world something which she does not have. Materialism, agnosticism, atheism, and indifference are taking a tremendous toll from the spiritual awakening. The ministers of the Home Mission Board can render great service in this endeavor. It is worthy of our interest, prayers and gifts.

Hymn, "The Morning Light Is Breaking."
Foreign Missions Report by T. G. Proctor.

FOREIGN MISSION BOARD REPORT

The objective of Foreign Mission work is to bring people to a personal faith in Christ, and obedience to Him as Lord. Our missionaries give themselves to all phases of this service in the establishment of New Testament churches, the training of church members, Christian education for youth and adults, the healing of the sick in the name of the great Physician, and the publication of printed material to aid in these ministries.

Seventeen hundred fifty eight (1,758) missionaries serving in 53 countries is the current number of missionaries under appointment as of the most recent Foreign Mission Board Meeting at Ridgecrest in June 1963. The immediate objective of placing under appointment 2,000 missionaries by the close of 1964 is our challenge to faith and prayer.

The divisions of our work is in divided areas in the world - the Orient, Africa, Europe and the Near East, and Latin America. Africa, Europe and the Near East is the largest of these divisions. In the recent meeting of the Foreign Mission Board, it was voted to divide this large area into two areas, Africa, and Europe and the Near East each with its own area secretary. Dr. Goerner, who has served for a number of years as area secretary for this large division, was given the privilege of seeking the Holy Spirit's leading in choosing which area he would continue to serve and some one else would be appointed at a later date to take the responsibility of the other area.

Dr. Cauthen, executive secretary of the Foreign Mission Board said that Baptist missionaries stand with their hands tied because of racial tension in America and that these racial expressions of violence might cause some of the missionaries to have to leave the countries where God has called them to.

A recent report from the Foreign Mission Board states that "every church is responsible for the evangelization of the entire world as though it were the only church in the world." We are only equal to this task as we join hands and lift our prayers with other churches of like faith and practice thru the Cooperative Program gifts and thru dedication of missionary personnel. May it be our challenge to pray, to give, to call on young people to go, and to give ourselves in real dedication in faithful service wherever we are, "That the world thru Him might be saved."

Respectfully submitted, Mrs. T.G. Proctor

Woman's Missionary Union Report by Miss Audrey Saunders. Ladies from the Fruitland Church put on a pageant of outstanding women missionaries.

WOMAN'S MISSIONARY UNION REPORT

Through the past seventy-five years Woman's Missionary Union has sought to promote Christian Missions in Baptist Churches among the women and young people. This anniversary year we dedicate ourselves anew to this glorious task and will continue to be "Laborers together with God" that "the world through Him might be saved."

In our Carolina Association we have 62 churches, 35 of these report at least one missionary organization. Fifteen churches report a W.M.S. and all youth organizations, 10 churches report W.M.S. and two youth organizations, 3 churches report W.M.S. and one youth organization, 7 churches report a missionary organization for the women.

We recognize the opportunity and responsibility that is ours when we remember 27 churches in our association without a missionary organization for the women or young people. In the words of the newly elected President of our South-wide W.M.U., Mrs. Robert Fling, "Blessings are not for self but for service. It is not enough to offer the Lord the best that I am but the best that I can become."

The Report of State Missions was adopted. Cleve Wilkie gave the Address.

STATE MISSIONS REPORT

The words of Jesus, "Go ye into all the world and preach the gospel," continues to ring in the ears of every consecrated, dedicated child of God. But with this command to go is also the challenge to be a faithful witness at home. Realizing that the light which shines the brightest at home shines the fartherest abroad - our Division of State Missions has been meeting this command and accepting this challenge as far as we at our home churches are willing for them to do so.

State Missions embraces many phases of work, each is motivated by the great command, "To go." Therefore, obeying this command and accepting this challenge our State Board is ministering to the sick through our hospitals, caring for the orphans through our children's homes, ministering to the aging in our Baptist homes, aiding in establishing new mission points and new churches in our state, helping in providing spiritual education in our various institutions, ministering to special groups in our state, seeking to create goodwill among the races, participating in conferences, rallies, camps, and Vacation Bible Schools to enlighten and encourage our people in, "What thus saith the Lord," and helping in various other endeavors for the advancement of the Kingdom of God.

We are grateful for the strong program of missionary activities that is being carried on throughout our state. Much has been done, far more remains to be done. "The fields are white already unto harvest, but the laborers are few." No one needs to remind us that there are multitudes of unevangelized people in our state. A large percentage of our church members are unenlisted and untaught. There are thousands around us who are destitute and need help spiritually and physically. The common task of State Missions is to minister in all these fields. How can the Division of Missions minister unto these various causes unless we support them with our prayers, time, talents and tithes.

Paul states in II Timothy 3:1 "That in the last days perilous times shall come." It seems as if those times are upon us, but Jesus is saying, "Fear not little flock; for it is your Father's good pleasure to give you the kingdom ....Go ye therefore, and teach ....baptize.... and lo, I am with you alway, even unto the end of the world."

May the Master give unto each of us a new vision of Himself and a greater determination to obey His command and accept His challenge.

Respectfully submitted, Frank Carter

EXECUTIVE COMMITTEE REPORT

Your Executive Committee held 3 well attended meetings since August of last year. We tried to encourage all our work. We had financial reports from our Treasurer. We have never lacked the cash to meet our bills, but strongly urge all our Churches to contribute to Associational Missions. Only about 30 churches are helping, and it seems to us that there should be at least 45 sharing in this. We urge our Pastors to encourage their churches to contribute.

We approved requests for aid to several churches from our North Carolina Baptist Convention and also endorsed several Ministerial students in our Baptist colleges, so as to obtain help with their tuition. These students were endorsed by their churches and pastors.

We helped promote the Central Training School last March, and have tried to be helpful in all our Baptist work.

We urge every church to elect a member of our executive committee. Each Pastor is automatically a member and each church is asked to elect one layman as per our Constitution, and certify his name on your church letter. This list can be printed in the minutes and we can call them together with less effort. We trust the meetings next year will be even better attended and thus be helpful in all phases of our work.

Respectfully submitted, M. L. Walker, Chairman;
Lyman Wilson, Clerk

In Memoriam

"And yet the cares are many and the
hours of toil are few:
There is not time enough on earth for
all I'd like to do:
But, having lived and having toiled, I'd
like the world to find
Some little touch of beauty that my soul
had left behind."

These lines penned by the famous poet Edgar A. Guest seem appropriate as we remember our departed loved ones who have labored and shared with us through the years the work of the Lord in our churches and communities. Like Paul they "have fought the good fight, have kept the faith," and now they have gone to their reward.

The name of this body shall be the "Carolina Baptist Association."

ARTICLE II - PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian Education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association.

THE PURPOSE OF AN ASSOCIATION

1. In order to better understand the place the association fills in our Baptist life, we will need to define two words.

a. First the word mission. The dictionary defines the word mission as, "An organized effort to spread Christianity."

b. Second the word association. The word association is defined as "A group of people joined together for the same purpose.

II HOW DID THE ASSOCIATION COME INTO BEING.

1. We cannot pin point the beginning of the association any more than we can pin point the beginning of the church. We have reasons to believe the association like the church had its beginning in the heart of God as expressed in the prayer of Jesus: "Father that they may be one . . . even as we are one." Oneness both in spirit and purpose. The local Baptist church patterned after the New Testament church cannot claim oneness of spirit and reject the oneness of purpose which calls for cooperative Christian fellowship with other churches within the denomination in the carrying out of the Commission of Christ to His church, "Go ye into all the world". The more compact and broader this fellowship the greater the accomplishment.

2. To this end the association as a servant of God and the local church dedicates itself. It was for this oneness of purpose our forefathers under the leadership of the Holy Spirit set up the association. Ten years ago there were 37 churches in the Carolina not channeling any gifts through our Southern Baptist Mission life line, the Cooperative Program. Last year this figure dropped to 14 churches. This is encouraging, but with close to two billion lost people in the world plus the commission of Christ ringing in our ears and tugging at our hearts we trust the time is near at hand when this figure will be reduced to zero.

REPORTS

TRAINING UNION REPORT

We have experienced a good year in Training Union. Two new unions were organized in churches that had not previously had a Training Union Program.

We had our first Youth Night at Valley Hill Church with students from Mars Hill College leading. Mrs. Frank Carter was in charge of the program. "M" Night was well attended with close to 600 present. Several churches entered the Sword Drill, Bible Reading, and Speakers Tournament. Our goal for the coming year is:

1. Help members understand and accept their responsibility of church membership.
2. Gain a better understanding of Baptist doctrines.
3. Help members to develop skills of leadership.
4. Help quide the growth of boys and girls and prepare them for leadership positions in their church.

Respectfully submitted, Bob Linder

BROTHERHOOD REPORT

"When the Brotherhood began in 1907 as the Layman's Missionary Movement, it's purpose was to stimulate the zeal and activity of laymen to a more through consecration of their time, prayer, and means to the glory of God in worldwide evangelism." This was an effort to bring the great mass of laymen face to face with their religious obligation centered in missions and missionary education.

These same objectives are still the aim of the Brotherhood. Added to them is the responsibility for missionary training for the boys and young men in the church.

Associational and church Brotherhoods are now engaged in definite programs of missionary education for men and boys. These include practical missionary education for men and boys. These include practical missionary activities such as witnessing to the lost, visiting the sick, aiding the poor, conducting cottage prayer meetings, and giving of their time, talent and offerings through the church.

The emphasis in our association this year has been in strengthening the Brotherhood groups that exist rather than trying to organize new ones. Some of the groups were floundering and many of the members were losing interest but coupled with the Jubilee revival meetings in the Spring new interest seems to have been created.

Several meetings were held in the association this year, some jointly with the Royal Ambassadors and their leaders. Progress is slowly being made and there is much work left to be done.

The future of the Brotherhood is the responsibility of the men on our Baptist church rolls. The starting place for a better world is a better individual. God has provided the weapons. These are prayer, the Bible and the Holy Spirit. They are sufficient. Let's use them.

Respectfully submitted, George W. Love

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union "Gives thanks unto the Lord:" for His blessings through the years in the education of Baptist women and young people in Christian Missions. It is an unfinished and continuing responsibility.

We "Call upon His name" in continual prayer that we may know and do His will. Prayer has and must always undergird the mission task.

"Make known His deeds among the people" - this is the purpose of Christian Missions and the first responsibility of each and every Christian. Woman's Missionary Union continues to make Christ known in the local community, the nation and around the world as we Study, Pray, Give, and Go.

In the Caroline Association we had reported in April, 1964.

HOMES FOR THE AGING

Our Baptist Homes are presently entering into their fourteenth year of operation with eager anticipation and much enthusiams. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from one resident and one building, since March of 1951 to 160 residents and four buildings in 1964. Today, there are many seeking admission, and the sick who can not be cared for because of the lack of bed space. We must make plans for a nursing facility that will be able to meet current needs.

A fifth Baptist Home is being developed, located at Yanceyville, North Carolina. Construction is to begin in 1964, and thirty additional residents will have expert care. The land and money for the project were bequested by R. Sterling Graves and his sister, Mrs. Sallie Graves Bradsher; however, Baptists must support the Home in the future.

Today, North Carolina Baptists contribute $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist homes. This support comes from Special Day Offerings, through designated gifts, and through the Homes' share in the Cooperative Program. Earnest heed should be given in each church towards increasing gifts to the Homes, as there has been a decline in gifts during 1963,

Life among the residents is interesting and filled with experiences. Some do creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All pray and express thanksgiving to God for Baptist work in these Homes.

There is nothing to prevent our receiving any needy aging person, 65 years old or above, except lack of space. Let us pray and dedicate our lives that we may give a good account of our stewardship in this area of human concern and admit as many of these dear people as possible.

Respectfully submitted, Mrs. Sidney Pittallo

FOREIGN MISSION BOARD

The Foreign Mission Board is one of the most important phases of our Southern Baptist work. Dr. Cauthen has stated in a recent editorial in the Commission that "the time has come for Southern Baptist to fix their eyes upon a new horizon in world missions." Our Board has issued a call for 5,000 missionaries to be placed across the world at the earliest possible time. As of June 1964, we have 1,868 active missionaries working in 55 countries of the world.

To support this work, Southern Baptists gave last year through the Lottie Moon Offering $ 9,725,000. This amounted to about one half of the total foreign mission budget of 20 1/2 million dollars. It is interesting to know that of every dollar given to the Foreign Mission Board 7 1/2 cents goes directly to the foreign field in a direct spread of the gospel.

"The Foreign Mission Board is a channel through which each of the churches cooperating with the Convention expresses its missionary concern for the world outside the boundaries of our own country. This task is the responsibility of each church." Since this tremendous task is a very difinite responsibility of each church, may we pray that the Holy Spirit will lead us to give liberally through the Cooperative Program and the Lottie Moon Christmas Offering that the needs on the foreign fields may be met.

Through the extensive efforts conducted in Japan in 1963, we are convinced "that vast numbers of people can and must be brought within the hearing of the gospel." Preparations are being made for a similar campaign to be launched in Brazil in 1965.

Missionaries tell us that people are willing and ready to hear the gospel. Dr. Cauthen says "the world trembles under the threat of nuclear warfare and in knowing that any misjudgement on the part of world leadership could

precipitate a crisis beyond anything in the history of mankind," May we not fail the Master, as we pray, as we give, and as we go.

Respectfully submitted, Mrs. C. W. Sumner

BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of in-born God given powers of our children. This is the continuing purpose of your child care program.

Food, clothing, shelter are necessities given every child in the Baptist Children's Homes. They receive carefully planned and well-balanced, nourishing meals. They have a comfortable and attractive place in which to live with care and respect to each child's personality

Of greater importance than material things is the genuine interest, concern and love given every child by Christian men and women on the staff. Many children who have known only heart break and tragedy learn to love again--learn trust in themselves, in adults, in God. They find a measure of self-confidence and individual dignity because the Homes operate on the conviction that every child is precious in the sight of God.

Jesus devoted a great deal of His time and energy to the needs of the underprivileged people of His day. How would you like to join Him in our day in making life meaningful and happy for boys and girls who have no home and, who for some reason, know not the love of mother and father--children for whom the future has little to offer? How would you like to help boys and girls who have no hope to come under the impact of the saving grace of our Lord? How would you like to awaken to fruition the intellectual potential of boys and girls who can serve the up-life of mankind and the furtherance of God's Gospel around the world? This can be done as you join hearts and hands with other friends of dependent children in making a way of life possible for them.

Genuine appreciation is expressed by those who direct our child care ministry for all who support this cause in any way. Income through the Cooperative Program, through the Thanksgiving Offering and through special gifts are vital to the service which are provided those who need our help.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Most North Carolina Baptists are well acquainted with Charity and Children, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday.

See that your church receives Charity and Children so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

AMERICAN BIBLE SOCIETY

The American Bible Society, with its twenty-two sister national Bible Societies, has embarked upon a great new program, "God's Word for a New Age," which will reach its high point in 1966. The program of advance was approved at the Advisory Council in 1963 by the representative of fifty-five

denominations in this country which support the work of the society. The major target of "God's Word for a New Age" will be the increase of total Scripture distribution around the world, through the United Bible Societies, to 150,000,000 copies annually by 1966. This goal is more than three times the present global distribution.

The American Bible Society had pledged itself to a goal of distributing 75,000,000 copies of Scripture annually be 1966. This is one half of the world goal of the United Bible Societies and is more than a 100 percent increase over the Society's circulation in 1963 the American Bible Society carried forward its task of putting the word into the hands and hearts of men in more than 120 countries and 300 languages.

Within the U.S.A. last year the Bible Society distributed a record number of Scriptures: 542,718 Bibles; 1,262,460 Testaments; 4,722,967 Portions; and 11,308,750 Selections, including the Christmas and Easter stories and the Sermon on the Mount. Highlights of this story include:

"Persons of Special Need." Through the churches and the regional offices of the Bible Society the Word of God reached victims of storms, floods and other disasters; seamen on ships from many nations visiting briefly in our ports; boys and girls in children's homes; men and women in rescue missions; Indian Americans and others with different language backgrounds; people in problem-filled "inner-city" areas; patients in hospitals and nursing homes; persons in jails, reformatories and prisons; migrant farm workers. Last year 34,952 copies of Spanish Scriptures were presented to Cuban exiles upon their arrival in the U. S. A. To men and women in our Armed Forces the Society gave free of charge 977,723 volumes of Scripture.

By the end of 1963, some part of the Bible had been published in 1,216 tongues and languages. The complete Bible has been published in 231 lanuages, the New Testament in 290 and at least a complete Gospel or other book in 695.

More than 1,000 languages remain in which no book of the Bible has yet been published. In Africa, for example, it is estimated that there are 700 languages spoken; yet the whole Bible has only been translated into 59. In eleven countries of Africa there is not yet a whole Bible available in any vernacular. This continuing work is the task of Missions and Bible Societies in many parts of the world.

Now we come to some alarming figures, the support of more than fifty-five denominations amounted to $1,120,277.10 in 1963. This is a decrease of $70,956.45 from 1962. Though Southern Baptist are amoung the largest supporters of the American Bible Society, the record of the Baptist State Convention of North Carolina shows that our offering amounted to $6,101,00 in 1963. This is a decrease of $423.85 from 1962. These figures should cause us to reinforce our efforts and try to set a record high in our giving in 1964. Please send gifts to your state office marked "For the American Bible Society."

ASSOCIATIONAL MISSION

In times past your committee has sought to give a summary of our report rather than the report in detail, feeling that generally people are not interested in statistics. This year, however, we are deigning to give you in detail the report of our Associational Missionary, believing that you may be impressed by the great number of activities he is engaged in.

Hence, below you will find the summary of the monthly reports which Mr. Barnes submits both to your committee and to Dr. E. L. Spively, Secretary of Missions, the State Baptist Convention, Raleigh, North Carolina. As is ever the case, not all that is done can be set down on paper. It is our belief, however, that here is enough to convince everyone that Clay Barnes is a busy man.

We all want to thank each church for aid and cooperation in the Associational Mission Program.

EVANGELISM

The first fundamental essential in our Christian work is to make disciples Therefore, Evangelism is the very heart and core of the Great Christian program.

There has never been a period in the history of our country when the Gospel of Jesus Christ was needed and more urgent than today. Yet, so many Christians have not sensed this and consequently, are indifferent toward Evangelism.

Southern Baptist have been blessed by God, seemingly, as much or more than any people in all Christian history. However, along with these blessings there are inescapable responsibilities, we as Christians must share with those who are not Christian. We are the children of light and we must share with those who sit in darkness.

During this past year there was an Associational Evangelistic Conference conducted at the First Baptist Church, Hendersonville. There was also a "Preachers Revival" conducted at Mt. Moriah Baptist Church. Twenty-five churches participated in the Jubilee Revival this past Spring, and the Associational Minutes will reveal the results of these efforts. Yet, with all the effort put forth we have only scratched the surface.

Let us all pledge to go forth into this new Associational Year with renewed courage and a greater determination to do the work in each church that lies before us.

Respectfully submitted, George A. Johnson, Jr.

BAPTIST LITERATURE

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The Biblical Recorder, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these needs, the Recorder seeks to do the following:

1. To Inform. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the Recorder staff gathers, sifts, and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. To Interpret. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close years of experience, the Recorder seeks to say something about the meaning of events as well as reporting them.

3. To Influence. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the Recorder both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the Recorder.

Respectfully submitted, Ted Reed

HISTORIAN'S

One of the out standing things appealing to observant people as they travel through the territory of the Carolina Association, whether it be city, town, or country-side, is the vast improvement, over the past ten years, in the physical plants of the various churches. This is true, both as to capacity and usefulness, as well as to beauty and durability.

In previous years reference has already been made to many of these improvements. Among the important improvements of the present year are the large, commodious, and beautiful sanctuaries and educational plants at the Mud Creek Church at a cost of $190.000, and at the Valley Hill Church at a cost of $109,000. French Board Church, probably the oldest Baptist church in Western North Carolina, has added an educational plant, while parsonages have been constructed at West Henderson, Tryon First, and Oak Forest Churches. Main Street Church has announced plans for the construction of a new building on a lot recently purchased. Doubtless other churches have made improvements worth of commendation.

New pastorates beginning since the first of the associational year are those of Rev. Lawrence Rhodes at Hoopers Creek, Rev. Carl Mintz at Jones Gap, Rev. Alva Ballard at Crab Creek Church, Rev. Homer Couch at Tuxedo, Rev. Sam W. Avery at East Flat Rock First, Rev. Wade Worley at Upward, and Rev. Stephen Warden at Mills River.

Resignations have occurred as follows: Rev. E. C. McCall at Beulah, Rev. Richard Pace at Crab Creek, Rev. Richard L. Davis at Fruitland, Rev. J. E. Blythe at Jones Gap, Rev. Homer O. Baker at Mt. Moriah, Rev. Sam Avery at East Flat Rock First, and Rev. Howard Cabe at Hoopers Creek.

Among the Activities of the year of association - wide interest were the Central Training School, the Evangelistic Clinic, the Vacation Bible School Clinic, and those connected with Sunday School and Training Union, or other organizations. Worthy of mention also are the weekly Pastors' Confer-

ences and the Preachers' Revival instituted by Rev. Homer O. Baker at Mt. Moriah.

The Association suffered a distinct loss in the passing of Rev. F. M. Huggins, three times Moderator of our Association.

A comparison between the last two years for which statistics are available reveals the fact that we are making considerable progress in total money contributions, some progress in mission contributions, slight progress in total church membership and in BTU enrollment, but a great loss in Sunday School enrollment, to be exact, a loss of 637 in one year's time. There is the added fact that the number of baptisms in 1963 increased only 14 over the year 1962, the above statistics being taken from the two years above mentioned. Can it be possible that our emphasis is sometimes misplaced?

We are to be commended for the progress made, but challenged to put forth greater effort along the lines wherein we have fallen short.

CHRISTIAN EDUCATION

Christian Education has ever been and remains the chief corner stone of our North American culture and civilization. The Christian home, the local church and the Christian school must ever remain the mighty bulwarks and the center and citadel for the progation of pure Christianity.

Within the bounds of the Carolina Association have existed three splendid educational institutions namely, Judson College 1861-1892; Fruitland Institute January 2, 1899 to 1936 and Fruitland Baptist Bible Institute (for ministers) from 1946 to the present.

Christian Education is part and portion of Christ's world program. Christian Education keeps Christ and His teachings at the center of the educational process. Christ constantly taught His disciples for a period of more than three years. Christian education does not crowd Christ out, it crowns Him. Christian education does not train people to be selfish, it teaches them to become self-sacrificing. Plato said, "Know thyself". The Epicurean said, "Indulge thyself". The Stoic said: "Harden thyself", but Christ says: "Give thyself".

Most of our Baptist institutions were born in the pinch of poverty and cradled in the uses of adversity. The order of our institutions is: the Christian home, the Christian church and the Christian school. These all make for a democracy tested and tempered saturated and set forward under Christian influences. The individuals in human society are what these three types of institutions make them. Our democracy is made up of a free people capable of making free choices and of rendering self-introspection and constructive self-criticism. As long as we maintain education with Christ as the center we shall preserve a government "Of the people, by the people and for the people."

The soul of education is the education of the soul. Of the first 119 colleges founded in America, east of the Mississippi River 104 were established by the different Christian denominations to meet Christian needs. Over the gate way that arches the entrance to the now famous Harvard University are these words: "That a learned ministry may not perish from the earth". The motto of McMaster University is: "In His Christ all things consist". Over the entrance to the international student center in New York City, founded by the late John D. Rockefeller, one reads these words: "That Universal Brotherhood May Prevail" This spirit can come about only through education which is fostered with Christ at the center. Jesus was the only person who ever lived and taught on this physical sphere who was the perfect embodiment of all that He taught. He is ever our perfect Ideal and our constantly fleeing goal of aspiration and inspiration. The late Russell H. Conwell, noble pastor and lecturer, delivered his now famous lecture, "Acres of Diamonds", hundreds of times with the proceeds helped to educate thousands of students in the Christian way of life. He was the founder of the great Temple University.

Baptists believe firmly in the principle of "A FREE CHURCH IN A FREE STATE", and we should stand un-equivocally and un-alterably opposed to the use of Federal Funds in our private educational institutions. The money of our Baptist people and the money of our friends alone, should be used to support our Baptist Schools. One out of every 18 people in America is a Southern Baptist, if we are to keep pace with our times and maintain our growth we MUST support our Baptist schools. More than one half of the Baptist young people in North Carolina today, are enrolled in State supported schools.

Southern Baptists now operate 73 schools: 6 seminaries and a joint operation with National Baptists of one seminary, 37 senior colleges, 17 junior colleges, 7 academies and 5 Bible Schools, are of which is Fruitland Baptist Bible Institute. Only three of the colleges old enough to be accredited lack full recognition. Mars Hill has now reached senior status and graduated its first four year class. Enrollments for 1963 -1964 reached a record high of 83,589 students. Graduates from our 73 schools from September 1962 to August 1963 totalled 11,083.

According to reports from the schools Baptist State Conventions and the Southern Baptist Convention gave to the support of these schools during the past year $ 16,863,416.00. Gifts from the conventions for operations amounted to $11,027,128.00 and for capital uses $5,836,288.00. In addition the schools received $15,888,961.00 in other gifts, grants and donations. The total assets of Southern Baptist Institutions are:$416,207.080.00, of which amount $102,091,461.00 is for endowment. Let us support our seven Baptist colleges in North Carolina with our money, our prayers, or moral influence by sending them our fine Baptist young people.

Several new Baptist colleges have come into being recently. Mobile College and Houston Baptist College have now completed their first year of operation and Kentucky Southern has moved to its new campus and has completed its second year Maryland Baptists, Atlanta, Charleston, Dallas, and St. Louis are in varying stages of the beginning of new schools. The Florida Baptist Convention in its last session approved the beginning of another college as soon as plans can be completed. Bethel College of Campbellsville, Kentucky, closed its doors permanently at the close of the last session. The Community colleges owned and operated by the various States constitute money dedicated to Christ and the cause of Christian higher education we are amply able to meet this challenge, YOURS FOR CHRISTIAN HIGHER EDUCATION IN THE NAME AND BY THE SPIRIT OF OUR CHRIST, WHO IS THE SAME YESTERDAY, TO-DAY AND FOREVER.

STATE MISSIONS

The local area is the mission field of the local church. And the hundreds of churches in North Carolina testify to the fact that they are taking the task seriously. But there are many geographical areas where no church has the responsibility and there are many phases of the work impossible for any local church to administer or finance. This is where State Missions comes into the picture. Baptists in North Carolina, through the Division of State Missions, E. L. Spivey Director, are working in seventeen distinct ministries, carrying the Gospel in new developments, maintaining churches in week areas, Institutions, interracial work, Associational missions, etc. Our own association is the field for two of these ministries. Fruitland Baptist Bible Institute is providing theological education for some one hundred sixty-five preachers from this and surrounding states which other wise would have no opportunity of training for preaching the Gospel. Few people in our state realize that almost fifty per cent of our pastors have never had any college or seminary training. Through State Missions we have a part in this attempt to give to every pastor sound fundamental training for his work. The other area of State Missions in our Association is the Assistance we received from state mission funds for the support of our Associational Missionary. Some Sixty-

six associations in our state have missionaries and most, like our own association, receive valuable help for this worth while work.

The rapid growth of housing development around our urban centers has afforded our denomination with a wonderful opportunity to establish new churches in these areas. A loan fund has been set up to enable new churches to borrow and build, and every year the call comes for more than we have; many churches need assistance on purchasing needed lots for new houses of worship or on pastors' salaries. I wish I could say we help all those who ask, but though we give over one hundred fifty thousand dollars ($150,000) to these two causes, we are not able to fill much more than half of the need each year.

Each year a special offering is received for State Missions in either September or October. The funds derived from this source are used to help in every one of the seventeen ministries over the state. The State Mission offering is the oldest special offering in our state, and certainly the very neediest. It is my sincere hope and prayer that every church in our association will have a part in this great work with a worthy offering this fall.

ANNUITY BOARD

New "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every Pastor, church and denominatinal employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1 of this year.

Cost Is Low -- Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $ 12,000. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

Benefits Are Large --The widow or beneficiary of a member 45 or under will receive 2 1/2 times his salary basis of participation in the event of his death. After the member passes 45, benefits are scaled downward by 1/10th of a percent each year as he gets older. In case of total and presumable permanent disability, the members payments are waived, but his coverage continues. Further information may be obtained from the Annuity Board, 511 North Akard, Dallas, Texas.

Annuity Secretary The Annuity Secretary for North Carolina is Guy Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection ministry. He seeks first to enlist those pastors and church and denominational employees who are not enrolled in a retirement plan with the Board. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

SUNDAY SCHOOL

"Big Business Ahead in 1964-65" is the expression being used and voiced by pastors and Associational Sunday School workers in the Carolina Association.

As we study our Sunday School work for the past year, we see many things for which we are to be grateful, and still we see many opportunities that challenge us this coming year.

Action Night was held september 30, with 24 churches represented and an attendance of 142.

Our Central Training School was held February 17-21. The number enrolled was 145 with approximately 110 receiving awards.

On Action Night we adopted the following goals:

1. To have 5 Sunday Schools attaining Standard recognition.
2. Our goal for attendance on Action Night, Sept. 15, 1964 is 150
3. A total of 50 churches having a Vacation Bible School and 10 mission schools.
4. A total of 12 churches observing Preparation week, Sept 21-25
5. To start three new Extension Bible Classes.
6. To conduct a Vacation Bible School Clinic.
7. A total of 25 churches having January Bible Study, Jan 6-10.
8. A total of 10 new departments and 20 new classes in our churches.

Some of the above goals have been reached and we are working on the others.

For the new year, we are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1966, 4% for 1967; 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached.

Evangelism, Stewardship, Missions, Discipleship--all of these wait upon outreach. People is our concern.

Along with this accelerated emphasis upon outreach, each Sunday School is urged to observe - (1) January Bible Study, (2) To plan a church and mission Bible School, (3) Promote Operation Home Study and other opportunities of training in our church study course, (4) Cooperate in the Adult Thrust effort to reach thousands of adult church members not enrolled in Sunday School.

We would offer this as our goals for 1964-65. Also we would like to recommend that our association enter into a Director-Led enlargement campaign in the month of February 1965. This would take the place of our Central Training School, usually held in February.

BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bringing a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional personnel to serve wherever these trained persons are so badly needed. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs will our churches provide the money to take care of those who need these services but cannot pay for them.

We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom He would minister through us.

Respectfully submitted, O. G. Wilkie

BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind," The North Carolina Baptist foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourage the Stewardship of Accumulated Possessions by single block giving at infrequen intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gifts annuity, and

(3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

TEMPERANCE AND PUBLIC MORALS

It is my opinion that the foundation of our stand on the issue of temperance and public morals is the truth found in Paul's Corinthian letter concerning the body of the Christian being the temple of the Holy Spirit. With this in mind, we must strive to practice high standards ourselves, and then teach the same to our children and to the people in our churches. Since our bodies are temples of the living God, this should produce in the life of a Christian a clean and holy life.

The church's message to the world on moral issues should be clear and positive, using the clear teaching of God's Word and not our own private interpretations and conclusions. We need to restate perhaps the Bible's teaching on strong drink, loose moral living, respect for parents, respect for others and their property, all of which are being abused and forgotten by our modern society.

The Christian revelation is the only hope of the world. God has seen fit to channel this revelation to the world through the Christian individual and the Christian church. Let us do our best to be faithful.

HOME MISSION

Two thousand two hundred ninety-nine missionaries serve in every state, Cuba, Panama, and Puerto Rico. An average of 30 missionaries were appointed each month last year. Critical personnel needs exist in mission center and Spanish-language work.

More than six and one-half million dollars came from Southern Baptists for home missions through the Cooperative Program, the Annie Armstrong Offering, and from other sources of income. This amounted to about 62 cents for each Southern Baptist, a nickel per month.

Cuba and Panama work has been interrupted by the political situation, Redford reported in May. Most of the churches in Cuba continue to function; seminary enrollment is larger; and though two missionaries were forced to leave during the year, others remain at work. In Panama the work was temporarily interrupted but all workers are back on the field.

Fourteen programs of work were adopted by the Board at its midyear meeting, becoming effective January 1. They are church extension, associational administration services, pioneer missions, language missions, church loans, chaplaincy, metropolitan missions, urban-rural missions, Jewish work, mission center work, National Baptists, evangelism, survey and special studies, and special mission ministries.

Educating church members in missions, a plan to confront every Southern Baptist with the mission story, has been developed and stressed by the Division of Education and Promotion. This plan shows the church how a year-round emphasis can be given to mission education, so the church member will have a conception that will lead to a commitment to missions, in both activities and in money.

"This is home missions' most urgent hour," Courts Redford, executive secretary of the Home Mission Board, reported to the Southern Baptist Convention in Atlantic City. "The entire world looks to America for Christian leadership, but America cannot give what she does not continue to have."

RESOLUTIONS

Be it resolved that the Carolina Association expresses its appreciation to the Fruitland Baptist Church for extending an invitation to our association to meet with them for the Morning and Afternoon meeting of our 87th annual Session, and for the hospitality afforded us there. We especially wish to convey our thanks to the women of the church for their part in preparing and serving the magnificent lunch.

We wish also to thank the Valley Hill Baptist Church for the invitation to meet with them for the night session and for all the arrangements afforded us.

Be it resolved that we appreciate the excellent message by the Rev. Henry Stokes. His sermon was a masterpiece.

We wish to thank all of the speakers who visited us and for their informative messages.

Be it further resolved that we are appreciative to our associational Missionary, Rev. Clay Barnes, for his work in our association. We are also appreciative of the work our Moderator, Vice-Moderator, Clerk, and all the Committies, who had a part in the success of this our 87th Annual Session.

Our prayer of thanks goes out to the Rev. Homer Baker and Rev. Richard Davis who each did such a commendable job while a part of our Association.

We offer our prayers for a speedy recovery to Rev. Sam Avery.

Respectfully submitted, Rev. Ted. W. Reed, Rev. W. V. Blanton
Mr. J. V. Queen, Miss Myrtle Bennett

In Memoriam

"And yet the cares are many and the
hours of toil are few:
There is not time enough on earth for
all I'd like to do:
But, having lived and having toiled, I'd
like the world to find
Some little touch of beauty that my soul
had left behind."

These lines penned by the famous poet Edgar A. Guest seem appropriate as we remember our departed loved ones who have labored and shared with us through the years the work of the Lord in our churches and communities. Like Paul they "have fought the good fight, have kept the faith," and now they have gone to their reward.

Marion Lee Walker, native of Spartanburg County, S.C., came to Hendersonville in 1917, from which place he soon was inducted into the United States Army, the 30th Division, and served overseas until Armistice, November 11, 1918. After being mustered out of the Army he returned to Hendersonville.

He was a member of the First Baptist Church, Hendersonville, until 1925, when he moved to East Flat Rock to go into business. At both places he had been Sunday School Superintendent and a deacon. In 1937 he returned to Hendersonville and became the teacher of a Men's Class which took his name, and is known today as the Walker Bible Class. At the First Baptist Church, Hendersonville, he was Chairman of the Deacons and the Building Committee which erected the sanctuary now in use. Mr. Walker was Moderator of the Carolina Association eleven years. He served on almost every other major committee of the Association, and for two terms he served on the General Board of the North Carolina Baptist Convention. Here was a layman who fitted into any situation and discharged his responsibilities with humility and efficiency.

In light of the above the Carolina Baptist Association takes great pleasure in dedicating her minutes of the 1965 session to

CONSTITUTION

THE CONSTITUTION AND BY-LAWS
of
THE CAROLINA BAPTIST ASSOCIATION

PREAMBLE

We, the members of Missionary Baptist Churches in the Counties of Henderson and Polk, State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body shall be the "Carolina Baptist Association."

ARTICLE II - PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian Education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the membership committee and if recommended by this committee and accepted by the Association shall agree to come under the watch care of the Association for a period of one year. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

ARTICLE IV - MEETINGS

SECTION 1. The Association shall meet annually on Monday evening and Tuesday, after the first Sunday in August, and quarterly each fifth Sunday. The purpose of the fifth Sunday meeting shall be for fellowship, information and inspiration pertaining to the advancement of God's kingdom work here among us; leaving the business of the organization to be transacted by the Executive Committee and the annual meeting of the Association as provided by the Constitution.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks notice is given to the member churches.

SECTION 3. Each church shall elect annually, in addition to the pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than ten messengers. These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

ARTICLE V - AUTHORITY

Each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except as provided in this constitution.

ARTICLE VI - OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Auditor, Historian, Associational Music Director, Associational Sunday School Superintendent, Associational Training Union Director, Associational Woman's Missionary Union President, Associational Brotherhood President, and Chairman of Library Council, Pianist and Chorister.

SECTION 2. The officers shall be elected at the morning session of the annual meeting for a term of one year each. The nominees shall be contacted and nominated by the committee on Nominations (By-Law IV, Section 6) except the Moderator, Vice-Moderator, Clerk, and Treasurer who shall be nominated from the floor. Committee nominations shall not preclude nominations from the floor.

SECTION 3. All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing Associational year.

SECTION 4. Any person having served two terms as Moderator shall be ineligible for re-election for a period of one year.

ARTICLE VII - TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one preferably a lawyer, serving terms of three years each on a rotating basis. On nomination by the committee on Nominations, one new trustee shall be elected at the annual meeting, no trustee being eligible to succeed himself until after the lapse of one year. The expiration date of each trustee's term of office shall appear by his name in the Associational Minutes.

ARTICLE VIII - THE EXECUTIVE COMMITTEE

The Executive Committee shall be composed of all Associational Officers (Article VI, Section 1), the Associational Missionary (ex-officio), each active pastor, one lay member chosen by each member church from

its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Committee shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this Committee to meet quarterly, and to make reports and recommendations to the Association at its annual meeting. A quorum shall consist of those present after due notification has been given.

ARTICLE IX - COMMITTEES

SECTION 1. The Association shall have the following standing committees, with their terms of office being from the close of the annual meeting through the following annual meeting.

The Committee on Constitution made its report which will be found in the record of the business period of the afternoon session.

The Baptist Foundation report prepared by Gordon Maddrey was adopted. Then Brother Maddrey sought to show us how that we can continue to witness for our Lord after our death through a large or small amount of money given to the Baptist Foundation of North Carolina.

BAPTIST FOUNDATION REPORT

In the widest sense stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the stewardship of current income in systematic and proportionate giving from current income. The foundation also encourages the stewardship of accumulated possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the stewardship of current income. The Baptist Foundation seeks to put a stronger emphasis on the stewardship of accumulated income. There are many ways that the foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The foundation also serves by meeting with you and your attorney upon request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasurers in Heaven," on Christian will making, which are available to any organization upon request.

Respectfully submitted, C. Gordon Maddrey, Exec. Secretary,
Baptist Foundation, B.S.C. of N.C.

Mrs. Howard Sitton moved the adoption of the report on Baptist Hospital as found in Book of Advance Reports. The motion carried. The Rev. Lowell Sodoman, formerly a pastor and now associated with the North Carolina Baptist Hospital, was recognized. He sought to enlarge our knowledge of the hospital's ministry and thus to inspire our increased support of this ministry.

BAPTIST HOSPITAL REPORT

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Respectfully submitted, Mrs. Howard Sitton

Upon the motion of Mrs. W. B. Merrill the association adopted the report on the Baptist Children's Homes. After listening to Brother Marvin Murphree, we had an increased appreciation of our opportunities and responsibilities to render an ever increasing ministry in this part of the Master's vineyard.

BAPTIST CHILDREN'S HOMES REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is its purpose to join hands with other Christian forces to strengthen wholesome Christian family life throughout the state. Our people have supported this ministry in a generous way.

Our homes are dependent upon the North Carolina Baptists for support. Every gift large or small is appreciated.

The Thanksgiving Offering last year is the largest ever given. It is approaching three hundred ten thousand dollars ($310,000.00). For this we are most thankful. Two estates have made possible two needed buildings. Income from the estate of Mr. and Mrs. Leland Sadler of Anderson, South Carolina was used to build a library. An addition to the church was financed from the estate of Robert and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for Christian foster homes in which neglected and homeless children may have the privilege of growing up in a Christian home. Should you have an "extra measure of love" to share in this way, the Homes would welcome your interest.

Attention is currently being given to a suitable location for a home in the western part of the state to serve the people west of the Blue Ridge Mountains. The possibility of such a home is meeting with genuine interest and enthusiasm.

Members of the Board of Trustees and members of the staff are all committed to the task of maintaining a Christian program of child care--a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord.

Respectfully submitted, Mrs. W. B. Merrill

The report on the Annuity Board was adopted upon motion by M. L. Lewis. Most of the discussion centered around the proposed Health Benefit Plan.

ANNUITY BOARD

The Life Benefit Plan - The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenominal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated

benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

The Health Benefit Plan - The health benefit plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

Benefits Paid - "Manna From Heaven" - It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven." The checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3 1/2 million was paid out to ministers and denominational workers or their families.

Members in Annuity Board Plans - Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board's retirement plans.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers.

Annuity Board Secretary - Rev. Guy Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board. He promotes the Board's total program of protection by trying to enlist all pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He works to help those who are in the program to better understand the protection they have. For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201 or Rev. Guy Cain, 301 Hillsboro St., Raleigh, N. C. 27600.

Respectfully submitted, M. L. Lewis

With the vice-moderator, O. J. Smith, presiding, C. F. Jervis presented the Historian's report after which it was adopted.

HISTORIAN'S REPORT

The history of this period would be far from complete without a tribute to the memory and accomplishments of Mr. M. L. Walker, whose home-going occurred on November 19, 1964. The impact of his life and influence upon the Carolina Association, of which he served eleven terms as moderator, can not be over-estimated.

Among those interests especially dear to his heart were his home, his church, his Sunday School class, our Children's Homes, the Biblical Recorder, and the Carolina Association. He could neglect his business for the sake of any one or all of these. He had served his church as Sunday School superintendent, as deacon, as teacher of the Walker class for many years, as chairman of the building committee of the First Baptist Church of Hendersonville in the construction of the present beautiful sanctuary, and in many other capacities. He was a good leader, a safe counselor, and a faithful churchman.

We note also the passing of the Rev. Carl Blythe, who had lived a long and useful life, and had served as pastor of several churches of our association.

Among the new pastors coming into the association are Rev. Fritz Hemphill at the First Baptist Church of East Flat Rock, and the Rev. Bobby Graham of the Fruitland Church. Pastors previously serving elsewhere in

the association and now assuming new pastorates are Rev. Grover Beddingfield of Beulah, Rev. Ralph Banning at Mountain Home, and Rev. Harold McKinnish at Tuxedo. Also, we note with pleasure the return of Rev. Homer Baker to the Mt. Moriah Church after an absence of several months in North Dakota. He has served faithfully, not only his own church, but also the association as a whole.

We acknowledge a distinct loss in the departure of the Rev. T. G. Proctor family from the association. Mr. Proctor was a valuable leader in many association-wide interests. His work at Shaws Creek will long serve as a monument to him and to his people. Others giving up pastorates in the association are Rev. Homer Couch, Rev. Bobby Taylor, Rev. Uril Stepp, and Rev. Sam Avery.

Physical improvements not previously mentioned in these records are new parsonages at the Green River and at the Bat Cave Churches, and the new educational building at Horse Show. In these days when we view the many fine, durable, and magnificent edifices, whether sanctuary, educational building, or parsonage, it is difficult to realize that only eleven years ago most of our worship places were only one-room buildings, and there were few educational buildings and parsonages. Also it may be noted that in 1957 we had thirty-seven churches which did not participate in the Co-operative Program, but that this number has now been reduced to fourteen.

A comparison of the records of 1963 and of 1964 reveals increases financially all along the line, and notably in Cooperative Program receipts. Total mission receipts advanced $20,762. Numerically we have increased all along the line with the exception of a slight decline in total church membership. The advance reports for 1965 now coming in indicate a substantial increase in the number of baptisms.

Of special interest and very commendable is the training program of the Oak Forest Church--one study course for a whole week every month of the year with only one or two exceptions. The winning of attendance banners at associational meetings will not be the greatest attainment of a church devoting so much time to a study of the work of the church.

The importance of complete and accurate church records of our time is not easily realized until there comes a need or a desire on our part to know the history of other days. Therefore, it is strongly urged that every church select the most competent person available as a historian who will write up and preserve the local church happenings. In this connection, let it be recalled that our denomination conducts a division of Baptist Biography whereby there may be preserved the biography of any Baptist whose biography is deemed worthy of being preserved. Churches are urged to take steps immediately to preserve these as well as the important events occurring from time to time. It may also prove of interest to know that all Baptist church records may be microfilmed free of charge by communicating with Mr. John R. Woodard, Jr., P.O. Box 7777, Reynolda Station, Winston-Salem, N.C.

We close this record with a word of commendation for our most efficient associational missionary, Mr. Barnes, to whose leadership and planning much of our progress is due. Mr. Barnes is entirely unassuming; he does not play to the galleries; he knows where the need is, and there is where he works. Let us not be negligent in showing to him our appreciation.

Let us not only keep the record straight, but also let us make a record Worthy of being kept.

Respectfully submitted, C. F. Jervis, Historian

M. M. Goss presented the Associational Missions report and moved its adoption which was approved. Then he announced that Clay Barnes had agreed to speak at the evening session in order that Dr. Perry Crouch, General Secretary of the Baptist State Convention of North Carolina, might speak and then move on to another association. After Brother Goss presented him, Dr. Crouch brought a helpful message.

The hour for the annual sermon having arrived, Mrs. Ann Pace was presented to render a very effective message in song. Then George Johnson, Jr., preached using the topic, "The Light the Darkness Has Never Put Out."

Frank Carter, host pastor, gave instructions of the procedure to be followed in serving lunch. Then he offered our thanks for the food and pronounced the benediction.

AFTERNOON SESSION

Moderator Hill called the afternoon session to order and Ralph Banning led us in singing, "Lead On O King Eternal." Charles Magnet, pastor of Oak Forest, read 1 Corinthians 13:1-13 and led our prayer.

Fritz Hemphill moved the adoption of the Sunday School report as found in the Advanced Book of Reports. Motion carried. Then Brother Hemphill presented Dr. Herman Ihley, State Sunday School Secretary, who spoke upon the importance of the Sunday School to the Lord's work.

SUNDAY SCHOOL REPORT

At the end of 1964 there were 9,234 enrolled in the Sunday Schools of our churches.

This was an increase over 1963 of 234, and I believe that this year we shall show that we will meet our goal of 1% growth. Instead of the Central Training School, we conducted Sunday School revivals in 15 of our churches during the week of February 21-25. This has proven to be a real stimulant for our Sunday School work.

We conducted one Vacation Bible School Clinic for Bible school workers April 19th.

While our churches have increased in their Sunday School enrolment, there has been a drop in the average attendance--1964 average was 5,481 while 1963 shows 5,945. I hope our records will show an improvement in this field.

I wish to thank all the Sunday School officers for their work, also we commend all churches who have cooperated with us in helping our association to make our Sunday Schools better. I know that all of you will work with your new Sunday School superintendent as you have with me in the past.

May the Lord bless your efforts in this field of service throughout the coming year.

Respectfully submitted, Vester Blanton

BUSINESS PERIOD:

The Committee on Constitution recommended:

1. The establishment of a Pastor-Church Relations Committee (See By-Law IV, Section 11). The association approved.
2. That the evening session be held on Monday night preceding the day session instead of Tuesday evening. This was approved.
3. That the election of officers be in the morning session rather than the afternoon session. It was so ordered.
4. That the date of the annual meeting of the association be changed to a later date. After considerable discussion Broadus Wall made a motion to table the matter until next year. M. L. Lewis seconded the motion. Motion carried.

ELECTION OF OFFICERS - The Associational Directory (Page 4) carries the list of those elected.

The association voted to dedicate the 1965 Minutes in memory of the beloved M. L. Walker. This is to include a picture of him.

The report on Christian Education was adopted upon the motion of Mrs. Junius Huggins. Dr. L. H. Hollingsworth from Wake Forest College spoke to us. Among other things we were reminded of the colleges desperate need of additional financial support.

CHRISTIAN EDUCATION REPORT

Southern Baptists now operate 37 senior colleges, 16 junior colleges, 7 academies, 5 Bible schools, 6 seminaries, and the American Baptist Theological Seminary, supported jointly with National Baptists.

Enrolments in Baptist schools have reached an all time high for 1964-65 of 90,510 students. Graduates from 72 schools from September, 1963 to August, 1964, totaled 11,653.

State Conventions and the Southern Baptist Convention gifts to the schools for the year increased nearly $30,000 - or $16,889,249 - of this amount $11,545,750 went into operations and $5,343,499 into capital projects. In addition, the schools received $18,741,631 in other gifts and grants and donations. The total assets of the Southern Baptist educational institutions are $448,966,102, of which $113,044,688 is for endowment.

Encouraging reports from the seminaries and colleges show that ministerial students increased 117 for the year.

The schools are increasing their calls for teachers. For instance, there are 13 requests for Ph.D.'s in English and no one available. By participating in the Cooperative Teacher Registry, with eight other denominations, it is expected that the placement service will be in a better position to supply teacher prospects to the schools.

North Carolina has 4 senior colleges, and 3 junior colleges, and 1 Bible institute. The Fruitland Baptist Bible Institute is in our own association, and ministers to about 150 preachers each year who have not had the opportunity to get a formal education. Many churches throughout North Carolina

and the neighboring states are being blessed by the work of men who have received their training there.

It is hoped that more students from Baptist homes, who go on to colleges, will be encouraged to go to our own Christian schools. The cost of tuition is naturally more than at state supported schools. But the high quality of a Christian education far exceeds the cost in dollars and cents.

Respectfully submitted, Junius Huggins

Although the Vacation Bible School report was not formerly accepted by the association, it deals with such a vital phase of the Lord's work that it is included in the Minutes.

VACATION BIBLE SCHOOL REPORT

The year 1964-65 has been a good year in which much progress has been made in Vacation Bible School.

The association had six leaders to go to the State Vacation Bible School Clinic at Wingate College to train in the best methods of Vacation Bible School work so that they could conduct a clinic in the association.

The Vacation Bible School Clinic was held at Mud Creek Baptist Church and was well attended. There were 28 churches represented with a grand total attendance of 154, including 15 pastors. Mrs. Myra Motley, and Mrs. E. L. Spivey, of the Sunday School Department, contributed much to the success of this meeting.

Many Bible schools were held during the month of June and July and we are glad to report that some new schools were held this year.

As the Bible school grows the interest in missions grows. The number of churches in North Carolina having Bible Schools last year was 3,074 with an enrolment of 305,248. There were 6,092 professions in 2,105 schools. The total amount of mission offering was $56,268 of which $46,997 was given through the Cooperative Program.

We as an association can be proud that we had a part in sharing Christ around the world.

Respectfully submitted, Mrs. Frank Carter

The association voted to accept the report on the Homes for Aging as moved by Mrs. Sidney Pittillo. We were happy to have William A. Poole, General Superintendent, bring us up-to-date on the progress being made in this part of the Master's work.

HOMES FOR THE AGING

Some fourteen years ago North Carolina Baptist extended their mission program to include some provision for the older people in our state who needed the care provided by a home for the aged. We have not been able to take care of all who need our help, nor will we ever be able to do so, but at least we are doing something to help meet a growing need in our state.

We began this ministry with one home in Winston-Salem in 1951. Today we have four homes and a fifth due to begin construction at Yanceyville some time this year. We have two homes at Winston-Salem, one at Albemarle, and one at Hamilton.

These homes derive their support from three sources: charges paid by the residents themselves, from Cooperative Program receipts, and from the special day offerings in February of each year. Last year this special offering was the highest ever, exceeding $96,000. Part of this offering is used to help defray the cost of those unable to pay all their expenses. We understand that those who are financially able to pay all their expenses at the home do so.

A number of the churches in the Carolina Association regularly contribute to the support of these homes through the Cooperative Program and/or the special offering. It would be wonderful if all our Baptist churches were really missionary Baptist churches and support these homes with a special offering each year or regularly every month through the Cooperative Program. This is a vital ministry and worthy of our support.

Respectfully submitted, Mrs. Sidney Pittillo

Sam Padgett presented the Training Union report. Its adoption followed.

TRAINING UNION REPORT

Training Union in general throughout our association is on the go. There have been several new churches added to our growing number of unions.

The new look in Training Union from intermediates through adults as to program material has helped build attendance and knowledge regarding our Southern Baptist program.

Since this work will get into full swing in the coming Training Union year, we are looking forward to a great year in 1966. Our entire "M" Night will be devoted to information in helping our Carolina Association Training Unions.

Every church is urged to use the new church member orientation material during a period, perhaps Training Union hour, for instruction classes in church membership. A set of graded material can be obtained from Baptist Book Stores.

Calling attention to it in the Advanced Book of Reports, Ted Reed moved the adoption of the report on Christian Literature. Motion carried. In his unique way Roger Branch, new member of Biblical Recorder staff, discussed the importance of being informed Baptists.

BAPTIST LITERATURE

It is unknown just how powerful the printed word is--nor is it known how powerful a Christian can become from the knowledge gained by reading God's word.

The environment of a person largely determines the kind of a person one will develop into. With the corruption of so many secular books and magazines that find their way into our homes, it is important that we acquire some good wholesome literature. Young people especially need to see the good in life and may be led into Christian vocations by what they read.

There is no greater virtue that a person can have than that he be informed. Many Christians do not know what to say to someone in order to be a witness of Christ. If only they were aware of the many things that are constantly going on in our denomination, they would have plenty to talk about--God's Work!

Our Baptist literature is designed to be informative as well as educational; to interpret God's word; to give information about our denomination, the agencies of our state and Southern Baptist Convention, our churches, and our laymen, ministers, and missionaries; and to influence.

There are over 100 different publications not to mention our Sunday School and Training Union material, and the hundreds of tracts that are available upon request. Every home should at least be a regular subscriber to the Biblical Recorder, Charity and Children, Home Mission, and Commission. Some other of the more familiar publications are: Home Life, Upward (Intermediates), Adventure (Junior), Story Time (Beginners and Primaries), Sunday School Builder, Training Union magazine, Brotherhood Journal, Royal Service, Baptist Student, R.A. and G.A. material, and the Baptist Program.

Be informed. Be inspired. Know what Baptists are doing for God!

Respectfully submitted, Ted W. Reed

NIGHT SESSION - FLETCHER BAPTIST CHURCH

Moderator Hill called the meeting to order and Junius Huggins led in singing the hymn, "Blessed Assurance." Zeno Green read the scripture and led our prayer.

George Johnson, Jr. moved that the association approve the report on Evangelism which was done. He presented R. P. Hamby to speak to this report.

EVANGELISM REPORT

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964--a gain of 2,379 or 9%. Churches in the Carolina Association reported 373 baptisms in 1963 and 429 in 1964--a gain of 56 baptisms or 15%. At this moment your chairman does not have a complete report from all the churches of the Carolina Association as to baptisms this year. However, from the information thus far, there is a great possibility that we should have an even better year.

The theme adopted by the Southern Baptist Convention for the year 1966 is "Proclamation and Witness." In our association this theme actually begins July 1st with the new associational year.

The president of the Southern Baptist Convention, Dr. Wayne Dehoney, says, "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "Major Issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul.

Your Evangelism Committee would urge every church in our association to accept the challenge of our convention president, and really have the greatest thrust in evangelism during this year that we have ever experienced in our history.

Respectfully submitted, George A. Johnson, Jr.

Cora Belle Gillespie presented the report on Foreign Missions which was adopted.

FOREIGN MISSIONS REPORT

The Foreign Mission Board came to the close of 1964 with a mission staff of 1,901. Appointments totaling 159 during 1964 and 49 from January to May 1965, bring the number of foreign missionaries in active service to 1,932. Forty-three missionary associates are included in this number.

At the end of 1964 there were many urgent requests for new missionaries. Among the most pressing needs are those for people in the field of evangelism and church development, nursing, student work, and religious education.

Throughout 1964 preparation was made for launching the Missionary Journeyman Program for single college graduates under 27 years of age. In May 1965 the Foreign Mission Board approved 49 young people to begin eight weeks of training in June.

Southern Baptist Foreign Missions reached out to four additional countries in 1964, making a total of 57 countries.

The major lesson to be learned from the history of the last 25 years of foreign missions is that, in view of national and international circumstances

which can greatly affect the work being done in any land, the wisest investment of missionary resources is in the cultivation of New Testament churches.

To support the Foreign Mission work Southern Baptists gave $23,891,502 during 1964. The Lottie Moon offering of 1964 was $11,870,649. Through the Cooperative Program and the Lottie Moon offering every Baptist and every Baptist church can help build a larger foundation for the support of foreign mission advance.

A basic function in the world outreach of a Christian missionary agency is the appointing and sending of God-called men and women. Missionaries are the true symbols of genuine interest and concern for the non-Christian people of the world.

Jesus said, "All power is given unto me in heaven and in earth. Go, ye therefore, and teach all nations, baptizing them in the name of the Father and the Son and the Holy Ghost. Teaching them to observe all things, whatsoever I have commanded you and lo I am with you always even unto the end of the world."

We must be sure that the missionaries called and qualified will be given increasing financial, prayer and personal support by our church membership at home.

It is important that we hold ever before us the quest for deeper spiritual power, says Baker J. Cauthen, "We are confident that God is leading Southern Baptists into a larger world mission involvement than we have ever known."

May we pray, give, and go as the Lord leads.

Respectfully submitted, Cora Belle Gillespie

The two following reports were included in our Book of Advanced Reports.

TEMPERANCE AND PUBLIC MORALS REPORT

The Christian Life Commission functions as an agency of the Southern Baptist Convention primarily for the purpose of developing Christian morality among Southern Baptists.

Crime is ever on the increase. On the average a major crime is committed every few seconds. Our national average per hour for the following crimes is: 1 murder, 2 cases of larcency, 46 automobile thefts, and 111 burglaries. More than two and one quarter million crimes were reported in 1963, a 10% increase over 1962.

Our divorce rate is alarming! In 1964 there were 1,719,000 marriages and 2.1 divorces to every 1,000 of our population.

The liquor traffic with its death toll continues to be one of our most deadly and devastating enemies. It is estimated that 60 million Americans "take a drink" now and then and that 30 million are "habitual drinkers."

Today in the metropolitan centers of the U.S.A. there are some 1,850 brands of alcoholic beverages, including whiskies, scotches, vodkas, liqueurs, champagnes, brandies, wines and beers. In 1935 the national consumption rate of alcoholic beverages per person was 11.45, by 1963 the national rate per person was 17.63 gallons.

Poverty is frequently associated with alcoholic beverage consumption. In 1963 there were 2,960,000 children in families receiving aid from federal and state assistance programs, at a combined cost of nearly $3 billions. A great many of these were dependent on government aid because of alcoholic fathers. From every dollar received from alcoholic beverage traffic, local, state and federal governments spend $6.00 on the care of alcoholics and alcohol related problems, according to an official 1962 Atlanta, Georgia study of alcohol costs.

We all need to live, pray, and teach morality and temperance as never before. God save America!

Respectfully submitted, Robert P. Hamby

STATE MISSIONS REPORT

State missions is the ministry carried on by our state convention in various areas where it would otherwise be impossible for one local church to do an adequate job.

This ministry is supported by gifts from the churches through the Co-operative Program. 66 2/3% of all Cooperative receipts are used for state missions and 33 1/3% of all receipts are sent to the Southern Baptist Convention for distribution to its various ministries.

The Division of Missions, one of seven divisions in our state mission program, carries on fifteen different services to those who need to know Christ as Saviour and to those who do know Him and are trying to do an effective task of proclaiming His message within His will.

Our state mission program assists churches in purchasing lots for new buildings and in supplementing pastors' salaries when necessary. It maintains Fruitland Baptist Bible Institute, which is making a tremendous impact on all areas of our state in sending out men who are prepared with a firm, basic knowledge of the Bible and with a clear understanding of the basic functions and needs of any local church.

State missions assists in supporting a missionary to do pioneer work in the Dakotas, a worker to organize, train and work with those who are deaf. This program has long assisted in working with the Indians in our state and this year in particular, is working with the Baptist Student Union in sending dedicated young people to these areas during the summer months to do all kinds of work in helping the churches.

A special offering is taken for State Missions each year in October. This need deserves our very best in the way of gifts, prayers and support in every way.

Respectfully submitted, John Rymer

Upon motion of Margaret W. Byrd the association adopted the report on Home Missions. This was followed by special music rendered by the Mount Moriah Choir. The rendition was entitled, "What Christ Means to Me," and was presented by: words, pantomine, music and medley.

Miss Audrey Saunders presented Miss Virginia Miles, Southern Baptist missionary to Indonesia, who stirred and challenged our hearts by her message which brought to a close the eighty-eighth session of the Carolina Association.

HOME MISSIONS REPORT

Missionaries serving with the Home Mission Board and state Baptist conventions, number over 2,400 as of May, 1965. They work in all fifty states, Cuba, Panama, and Puerto Rico. The work in the commonwealth of Puerto Rico, with seven missionaries assisting five churches and five missions, was to organize into an association in 1965.

More than $7 million came from Southern Baptists for home missions through the Cooperative Program, the Annie Armstrong offering, and other sources. For the first time in some years, the Cooperative Program reached the advance stage (when all funds received above a given amount are divided between the Foreign and Home Mission Boards), and the Home Mission Board received $426,070.

Emphasis went to a new work and the pioneer areas during the year, when more than 66% of the budget of the Division of Missions was spent for work

with the newer conventions. Funds for the established states were spent where the cooperation of a nationwide agency adds strength, i.e., work with Negroes, Baptist centers, juvenile rehabilitation, and language missions.

The 30,000 Movements' final report, following the close of a nine-year emphasis on church extension, showed 18,285 missions and 6,682 churches were established. The emphasis is being continued through the program of church extension of the mission agency.

Professions of faith reported by the missionary force were 50,868 for 1964, an increase of nearly 4,000 over 1963. Southern Baptists as a whole also reported an increase from 355,325 to 374,418, according to the Evangelism Division. The evangelism staff reported an enlarged ministry to other nations, including Japan, Australia, Brazil, Panama, as well as leading Southern Baptists in personal witnessing and revival efforts.

Seven hundred forty-eight Southern Baptist chaplains serve the military, the Veterans Administration, hospitals, other institutions, and industry. Only fifty-one serve on a part-time basis. The Chaplaincy Division, in its assistance to churches and chaplains who minister to military service-related youth, announced publication of a booklet, "Your Life and Military Service," for service-bound young persons.

The increases in crime, the high level of drink and divorce, racial tensions, and strife between management and labor were cited by Dr. Rutledge as reasons for an increased spiritual emphasis. Despite the largest mission force ever, he said, "There are urgent personnel needs in language missions, metropolitan missions, and pioneer missions and the parallel need for funds and other resources to make the work of these missionaries effective."

Respectfully submitted, Margaret W. Byrd

We are also appreciative of the work of our committees, moderator, vice-moderator, and clerk. They have made the annual meeting a success.

Our prayer of thanks for a job well done goes to the Reverends Vester Blanton, Homer Couch and Ed Hyder while serving in our association.

Respectfully submitted, Rev. Ted W. Reed
